Love In The Time Of Apps:

Love in the Time of Apps Jay Begler, 2014-04 As he passed a newsstand Philip Goodwin saw his photograph on the cover of People magazine's newest publication Unpopular People magazine A banner across the photo proclaimed The Most Unpopular Man In America Given his present circumstances Goodwin believed that the tag was accurate Romance media influence and the consequences of celebrity all intersect in Jay Begler's digital age satirical debut novel Love in the Time of Apps A Zagat like numerical rating system becomes the sole yardstick by which individuals are judged The ratings soon lead to a new social hierarchy based exclusively upon a person's rating Philip Goodwin is living the good life until a series of incredible events cause his rating to plummet from stellar to abysmal Ultimately relegated to a ghetto for people with ultralow ratings Goodwin must fight back against the forces that have savaged his reputation In the vein of Kurt Vonnegut with a dash of Woody Allen Love in the Time of Apps is a witty satirical glimpse into a media and internet obsessed society in the digital age Its insightful musings will have readers thinking and laughing long after the last page

Love in the Time of Algorithms: Navigating Dating in the Digital Age S Williams, 2025-04-12 In an era where swipes and algorithms shape the landscape of modern romance Love in the Time of Algorithms delves deep into the intricate world of digital dating This insightful guide explores online dating trends uncovers the psychology behind matchmaking algorithms and addresses the pressing challenges of authenticity and trust in virtual relationships From understanding how behavioral economics influences our choices to navigating barriers like ghosting curated personas and mismatched expectations this book offers actionable strategies for fostering genuine connections Discover the role of AI driven compatibility matching the rise of VR dating experiences and the potential of video first platforms in reshaping how we connect With a focus on ethical concerns such as data privacy consent mechanisms and gamified interactions this work provides a comprehensive look at the societal implications of digital courtship It also examines legal frameworks governing online dating while advocating for fairness inclusivity and respect in line with universal values Packed with expert insights into emotional intelligence relationship communication tools and innovative ways to embed technology into meaningful workflows this book envisions a future where tech enhances not overshadows authentic human connection Whether you're grappling with loneliness seeking to overcome superficiality or eager to understand the science and ethics of love in the digital age Love in the Time of Algorithms is your roadmap to navigating the complexities of modern romance with intentionality empathy and hope

Love in the Time of Algorithms Dan Slater, 2013-01-24 If online dating can blunt the emotional pain of separation if adults can afford to be increasingly demanding about what they want from a relationship the effect of online dating seems positive But what if it's also the case that the prospect of finding an ever more compatible mate with the click of a mouse means a future of relationship instability a paradox of choice that keeps us chasing the illusive bunny around the dating track It's the mother of all search problems how to find a spouse a mate a date The escalating marriage age and declining marriage rate mean we're

spending a greater portion of our lives unattached searching for love well into our thirties and forties It s no wonder that a third of America s 90 million singles are turning to dating Web sites Once considered the realm of the lonely and desperate sites like eHarmony Match OkCupid and Plenty of Fish have been embraced by pretty much every demographic Thanks to the increasingly efficient algorithms that power these sites dating has been transformed from a daunting transaction based on scarcity to one in which the possibilities are almost endless Now anyone young old straight gay and even married can search for exactly what they want connect with more people and get more information about those people than ever before As journalist Dan Slater shows online dating is changing society in more profound ways than we imagine He explores how these new technologies by altering our perception of what s possible are reconditioning our feelings about commitment and challenging the traditional paradigm of adult life Like the sexual revolution of the 1960s and 70s the digital revolution is forcing us to ask new questions about what constitutes normal Why should we settle for someone who falls short of our expectations if there are thousands of other options just a click away Can commitment thrive in a world of unlimited choice Can chemistry really be quantified by math geeks As one of Slater s subjects wonders What s the etiquette here Blending history psychology and interviews with site creators and users Slater takes readers behind the scenes of a fascinating business Dating sites capitalize on our quest for love but how do their creators ideas about profits morality and the nature of desire shape the virtual worlds they ve created for us Should we trust an industry whose revenue model benefits from our avoiding monogamy Documenting the untold story of the online dating industry s rise from ignominy to ubiquity beginning with its early days as computer dating at Harvard in 1965 Slater offers a lively entertaining and thought provoking account of how we have for better and worse embraced technology in the most intimate aspect of our lives

Love in the time of Pumpkins J.L. Jarvis,2024-09-17 As they unravel the secrets of Sleepy Hollow their greatest discovery might be each other When historian Iris Drake leaves her academic life behind for the quaint charm of Sleepy Hollow she expects a peaceful job guiding tours through the town s legendary past But everything changes when she meets Jackson Wilde a brilliant and ruggedly charming professor with a sharp mind and a talent for uncovering secrets Jackson isn t just a skeptic with a mysterious past he s about to pull Iris into a centuries old conspiracy that could rewrite history Together they discover coded messages Revolutionary War artifacts and a secret society determined to protect its legacy at any cost As they race to unravel the clues before someone or something catches up with them Jackson s steady confidence becomes Iris s anchor and his magnetic intensity is impossible to resist But in a place where the line between history and legend blurs their growing connection might be the most dangerous discovery of all Step into Sleepy Hollow where history romance and mystery collide in a thrilling adventure

Love in the Time of Incarceration Elizabeth Greenwood,2021-07-13 This evocative and gripping investigative look into romantic relationships between incarcerated people and their spouses on the outside is impossible to put down The Globe and Mail Toronto What is it like to fall in love with someone in prison Over the course of

five years Elizabeth Greenwood followed the ups and downs of five couples who met during incarceration In Love in the Time of Incarceration she pulls back the curtain on the lives of the husbands and wives supporting some of the 2 3 million people in prisons around the United States In the vein of Modern Love this book shines a light on how these relationships reflect the desire and delusion we all experience in our romantic pairings Love in the Time of Incarceration infiltrates spaces many of us have only heard whispers of from conjugal visits to prison weddings to relationships between the incarcerated themselves A tour de force of empathetic nonfiction storytelling Vanessa Grigoriadis author of Blurred Lines Love in the Time of Incarceration changes the way you look at the American prison system and perhaps relationships in general Previously published as Love Lockdown

Love in the Time of Time's Up Christine Sneed,2022-10-04 With pathos and insight each of the sixteen accomplished authors among them Lynn Freed Karen Bender May lee Chai Gina Frangello Cris Mazza and Amina Gautier featured in Love in the Time of Time s Up skillfully explores the complexities of desire intention and what it means to be a woman in the era of Me Too and Time s Up From the fraught sexually charged groves of academia and elevators of corporate America to the imagined diary entries of Brett Kavanaugh and the tragicomic travails of a woman swiping right on Tinder in order to dispense advice to men whose profiles she finds lacking these stories offer a blend of humor and horror victory and heartache righteous anger and rueful recrimination It s a collection that s sure to leave a mark on readers minds and earn a place in their hearts

Love in the Time of Cholera: A Guide Pasquale De Marco,2025-07-23 Love is a complex and multifaceted emotion that has inspired countless works of art literature and music It can make us feel happy fulfilled and connected to others but it can also be challenging and lead to heartbreak and disappointment In this book we explore the many facets of love We discuss the different types of love the challenges of love and the rewards of love We also provide tips and advice on how to find and maintain a healthy and fulfilling relationship Whether you are single in a relationship or married this book has something for you It is a valuable resource for anyone who wants to learn more about love and improve their relationships Here is a more detailed overview of what you will find in this book Chapter 1 The Different Types of Love Romantic love Platonic love Agape love Self love Chapter 2 The Challenges of Love Jealousy Infidelity Communication problems Financial problems Chapter 3 The Rewards of Love Happiness Fulfillment Connection Intimacy Chapter 4 How to Find Love Where to meet people How to make a good first impression How to build a relationship Chapter 5 How to Maintain a Healthy Relationship Communication Conflict resolution Commitment Intimacy If you are looking for a book that will help you understand love and improve your relationships then this is the book for you It is a comprehensive guide to love and relationships that will provide you with the insights and tools you need to find and maintain a healthy and fulfilling relationship If you like this book write a review

Love in the Time of Serial Killers Alicia Thompson,2022-08-16 One of Cosmopolitan s Best Romance Novels Ever Turns out that reading nothing but true crime isn t exactly conducive to modern dating and one woman is going to have to learn how to give love a chance when she s used to

suspecting the worst PhD candidate Phoebe Walsh has always been obsessed with true crime She s even analyzing the genre in her dissertation if she can manage to finish writing it It s hard to find the time while she spends the summer in Florida cleaning out her childhood home dealing with her obnoxiously good natured younger brother and grappling with the complicated feelings of mourning a father she hadn t had a relationship with for years It doesn t help that she s low key convinced that her new neighbor Sam Dennings is a serial killer he may dress business casual by day but at night he s clearly up to something It s not long before Phoebe realizes that Sam might be something much scarier a genuinely nice guy who can pierce her armor to reach her vulnerable heart *Love in the Time of Self-Publishing* Christine M. Larson,2025-09-16

Lessons in creative labor solidarity and inclusion under precarious economic conditions As writers musicians online content creators and other independent workers fight for better labor terms romance authors offer a powerful example and a cautionary tale about self organization and mutual aid in the digital economy In *Love in the Time of Self Publishing* Christine Larson traces the forty year history of Romancelandia a sprawling network of romance authors readers editors and others who formed a unique community based on openness and collective support Empowered by solidarity American romance writers once disparaged literary outcasts became digital publishing s most innovative and successful authors Meanwhile a new surge of social media activism called attention to Romancelandia s historic exclusion of romance authors of color and LGBTQ writers forcing a long overdue cultural reckoning Drawing on the largest known survey of any literary genre as well as interviews and archival research Larson shows how romance writers became the only authors in America to make money from the rise of ebooks increasing their median income by 73 percent while other authors plunged by 40 percent The success of romance writers Larson argues demonstrates the power of alternative forms of organizing influenced by gendered working patterns It also shows how networks of relationships can amplify or mute certain voices Romancelandia s experience Larson says offers crucial lessons about solidarity for creators and other isolated workers in an increasingly risky employment world Romancelandia s rise and near meltdown shows that gaining fair treatment from platforms depends on creator solidarity but creator solidarity in turn depends on fair treatment of all members **LOVE IN WAR TIME** PEDRO ARTURO ROJAS

ARENAS,2023-07-14 Here is a reading of the Colombian and South American reality with its clashes over the application of methods and practices based on essentially materialist ideologies which occurred in the 50s 60s and 70s with the author Pedro Arturo Arenas experiencing many of the social challenges concepts and spirituality of that time *Love in times of war* offers a panoramic photograph of the transformations that took place in Latin America especially from the end of the 1950s onwards a period of great social changes and full of illusions many of which ended up dragging entire populations into especially youth to embark on a quest for collective justice but which in the end led to immense frustrations and tragic results in some countries The unrestricted exercise of doctrines and dogmas both on the left and on the right finally produced an increase in social and economic disparities evident in many parts stimulating and intensifying class struggles such as the

emergence of resistance movements peasant and working class urban guerrillas and other forms of violence without achieving their goals Without adequately responding to the aspirations of collective justice such ideologies deepened the abyss between poverty and wealth producing even more greater apathy hopelessness and disillusionment in the hearts of the impoverished and anguished masses in countless parts of the planet The search for a more just social order continued to lead Pedro Arenas through tortuous paths and intellectual clashes until after a long and arduous journey he found himself disenchanted with the political practice of members of supposed socialist organizations realizing then the limitations of ethical and spiritual nature of the cited movements especially in the daily interrelationships of the members of these organizations that in turn ignored or despised the evident religiosity of the Colombian peasants With the new possibilities a new world opened before his eyes when he reunited with his old friend Gabriel Branco through whom he learned about the Bah teachings Upon investigating the subject more deeply he was led to conclude that such teachings constituted an incomparable social and spiritual project of a magnitude never before imagined Leaving behind his past as a union and political activist Pedro Arturo was now seeking new horizons of understanding reaching the conclusion that social and political transformations are incomplete unless they advance concomitantly with a deep spiritual transformation and that the way to establish a new order in human affairs requires the use of new means and methods From those new teachings emerged the understanding that conflict resolution can take place through methods of consultation and dialogue that humanity cannot continue to be sacrificed for the maintenance of certain outdated postulates that the sole purpose of legal norms as well as political and economic theories is the protection of the common interests of all peoples that love for the homeland although legitimate needs to give way to a broader loyalty that is to love for humanity as a whole and as a consequence for the concept of world citizenship That all kinds of prejudices need to be abandoned that new institutions need to be erected that the recognition of ethnic climatic historical idiomatic and traditional diversity thoughts and customs can help to promote a broader loyalty a greater aspiration that contemplates the uniqueness of humanity that the maintenance of order can be sustained by a single code of international law by an Executive and a Parliament and a World Supreme Court that the Cause of Peace can be achieved through a binding treaty with inviolable and clearly defined clauses fruit of a broad global consensus Inspired by these principles and a clear vision Pedro Arenas rose to promote these teachings traveling and supporting local Bah activities and institutions in Colombia where he learned about the exciting experience and fieldwork of the Rural University FUNDAEC and the Ruh Institute Served as a Bah pioneer in El Salvador Central America during a period of great uncertainty and conflict between the army and the FFLN collaborated in activities to promote the Institute of Bah training in indigenous areas on the borders of Brazil Colombia and Peru as well as dedicated a brief period of his life in the archipelago of Cape Verde on the African coast and later now back to Brazil in the region of Northeast where he established himself as a Bah pioneer working as a professor linked to the Rio Grande do Norte State

University Finally Pedro Arturo dedicates the last chapters and some accompanying texts to remembering relatives and friends both from the oldest and most recent times dedicating to them lines of recognition affection and high esteem all as a reflection and demonstration of his love and ample thanks to the Beloved of his heart Bah u ll h for guiding him and enabling him to reach a height of achievement and joy The whole story is told with the enthusiasm of one who was an active protagonist and is testimony to the personal transformations experienced by the author under the influence of Bah u ll h s Revelation This young Colombian seeker like many others of his age and generation was galvanized by the overwhelming strength and foresight of the Bah teachings and still continues untiring in his efforts in the challenging task of contributing each in a humble way and according to his abilities in the construction of that new order advocated by Bah u ll h

Digital Technologies and Gendered Realities Lakshmi Lingam,Nolwazi Mkhwanazi,2024-09-13 The book explores the varying experiences and engagement of youth with smartphones and digital technologies in India and South Africa It examines the process of meaning making identity construction garnered through smartphone technology specifically relating to notions of love sex and sexuality A keen reappraisal of the smartphone revolution the essays underline the constant negotiations between technology and social institutions such as family schools colleges universities religious groups traditional community leaders media police law and governments The volume looks at new forms of digital based surveillance on girls women and gender minorities and maps the responses of state civil society and women s movements in tackling the divergent narratives of freedom versus control empowerment versus violence It specifically looks at how concepts of privacy agency autonomy and consent are being framed in the legal arena regarding young women which may or may not be empowering of their agency and choices Challenging notions about gender technology and society this book will be of great interest to scholars and researchers of sociology and social anthropology politics gender studies and Global South studies

Love in the Time of a Highland Laird Angeline Fortin,2015-10-21 They

say accidents happen for a reason When she was accidentally pushed into a wormhole Allorah Al Maines never imagined she d be thrown back in time land at the feet of a gorgeous Highlander and be taken as his prisoner Al is awestruck by the savage Scot who chained her up in his dungeon But once she emerges from her cell she finds herself even more captivated by the roguish Highlander he s transformed into An undeniably enticing manifestation of all her secret fantasies Ones she s tempted to explore However regardless of what the fairytales say Al knows passion fades and lust dies Keeping her heart intact and planning for a future on her own is the only way their story can end If all women in the twenty first century were as stubborn as Allorah Maines Keir MacCoinnach wept for the future of man Nay he despaired for them She s utterly obtuse difficult aggravating and quite possibly the most fascinating woman he d ever met Al offers him an intriguing peek into the future Keeping her by his side is the key to the knowledge of the ages Keeping her in his bed and in his heart is the key to a life of love and joy But can Keir convince Al to share that life with him before she walks away forever Can he prove to her the passion they discover between the sheets can surpass anything she d ever found between the pages of her favorite novels

Love, Etc. Rita Felski,Camilla Schwartz,2024-10-17 The look of love through an analytic lens Long treated with skepticism in literary and cultural studies love as a subject of serious scholarly inquiry is now attracting intense interest and renewed attention Love Etc centers on two key themes representations of love in literature and culture and love as a relationship to literature and culture How are our attitudes to love changing in the wake of new technologies and social media shifting norms around partnering marriage and divorce and feminist and queer thought Fifteen short and accessible essays cover a wide range of topics from Tinder to The Bachelor from liking trees to loving aliens from unrequited love to maternal love from polyamory to new stories of female friendship from loving physical books to theorizing love in popular music Contributors Carolina Bandinelli University of Warwick Mette Blok Roskilde University Denmark Angus Connell Brown Stephanie Burt Harvard University Anne Marie S Christensen University of Southern Denmark Jonathan Flatley Wayne State University Lily Gurton Wachter Smith College Timothy Laurie University of Technology Sydney Hanna Meretoja University of Turku Finland Kevin Ohi Boston College John Plotz Brandeis University Anna Poletti Utrecht University The Netherlands Jessica Pressman San Diego State University Biswarup Sen University of Oregon Hannah Stark University of Tasmania

Love in the Time of Horses Charles Porter,2021-07-31 A horse story for riders A gun story for shooters A love story for lovers A year in the life of Orin Kraybill and his wife Isabel professional dressage competitors and trainers who follow the horseshow circuit to Florida every winter They are friends with Joel Katz a highly ranked jumper rider and champion sharpshooter whose girlfriend Jane Kline is a concert pianist and fellow shooter The story winds through the big shows and hours of training along with the unusual atmosphere of gun ranges and cowboy fast draw contests where two brothers from the farms around Belle Glade are Joel s rivals and adversaries Love in the Time of Horses is an inside look at the tony cabalistic world of international horse showing and coaching that returns to Florida every winter for the ruling class and

famous to entertain compete and play in the sun parlors of Palm Beach County **Love in the Time of Cinema K.**

McKim,2011-11-08 Kristi McKim offers close analyses of films in which attachment and detachment intimacy and distance ephemera and endurance become more visible and meaningful Films discussed include Wim Wenders Wings of Desire Agn s Varda s Jacquot de Nantes Doris D rrie s Cherry Blossoms and Olivier Assayas Summer Hours *Love in the Time of*

Contagion Laura Kipnis,2022-02-08 In this timely insightful and darkly funny investigation the acclaimed author of Against Love asks what does living in dystopic times do to our ability to love each other and the world COVID 19 has produced new taxonomies of love intimacy and vulnerability Will its cultural afterlife be as lasting as that of HIV which reshaped consciousness about sex and love even after AIDS itself had been beaten back by medical science Will COVID end up making us more relationally conservative as some think HIV did within gay culture Will it send us fleeing into emotional silos or coupled cocoons despite the fact that pre COVID domestic coupledness had been steadily losing fans Just as COVID revealed our nation to itself so did it hold a mirror up to our relationships In Love in the Time of Contagion Laura Kipnis weaves often hilariously her own ambivalent coupled lockdown experiences together with those of others and sets them against a larger backdrop the politics of the virus economic disparities changing gender relations and the ongoing institutional crack ups prompted by MeToo and Black Lives Matter mapping their effects on the everyday routines and occasional solaces of love and sex **Love on the Web** Neil S. Plakcy,2021-09-24 Torn between two lovers which man is the right one Sweet natured computer geek Larry Leavis is a recent college graduate in his first job as an app developer on South Beach But he s not as confident as his roommates about looking for love he s six foot six skinny as a rail from a poor conservative family So he doesn t know what to do when two men show interest in him Client Victor Kunin spins a dark web to trap him challenging Larry s feelings about his body and what he wants to do with it Handsome entrepreneur Julian Argento has to learn to trust again before he can be Larry s Mr Right But which will Larry choose the angel or the devil Another sexy look at the search for love and career success on South Beach from the author of the Love on series Love in Focus Lyla Lee,2025-05-27

Delilah Green Doesn t Care meets The Bold Type in this sapphic rom com where two exes are given a second chance at love When her boyfriend of seven years suddenly breaks up with her relationship advice columnist Gemma Cho is convinced that real love doesn t exist As a bisexual woman who s had zero luck with both men and women she s ready to give up on her own romantic prospects That is until she s paired up with world renowned photographer Celeste Min on a potentially career saving piece on modern love Celeste is extremely talented and sexy and would be the perfect collaborator and rebound for Gemma if it weren t for the fact that she s Gemma s ex the one that broke her heart in college and moved to a whole other country before Gemma could even make sense of what went wrong between them Heightened by the unmistakable sparks that still fly between them Gemma and Celeste struggle to keep their relationship strictly professional For the sake of her career Gemma needs this piece to do well And for the sake of what s left of her beaten up hopeless romantic heart she wants

to fall head over heels for Celeste again But can she trust Celeste to feel the same this time around Love in Contemporary Technoculture Ania Malinowska, 2022-03-31 This Element outlines the environments of loving in contemporary technoculture and explains the changes in the manner of feelings including the experience of senses spaces and temporalities in technologically mediated relationships Synchronic and retrospective in its approach this Element defines affection romance companionship intimacy etc in the reality marked by the material and affective intangibility that has emerged from the rise of digitalism and technological advancement Analysing the re constructions of intimacy it describes our sensual and somatic experiences in conditions where the human body believed to be extending itself by means of the media and technological devices is in fact the extension of the media and their technologies It is a study that outlines shifts and continuums in the practices of togetherness and which critically rereads late modern paradigms of emotional and affective experiences filling a gap in the existing critical approaches to technological and technologized love
