Bright and beautiful Annie is an unlikely candidate for meth. Living fast and hard on the streets of Bend, Oregon, she commits crimes against herself, the community, and her own family. The author chronicles her child's addiction in a way that other writers have not written about addiction. What begins as an obsession to save her daughter and a rage against God for allowing drugs to devour her college-age girl transforms into release in a life-changing letting go and letting God moment. The reader is first introduced to the Stoefer family and Barbara's dream for its idyllic future. Kinks in the perfect life appear. When Annie's alcoholism, drug use, and criminality ensue, Barbara fights to save her. There is all-consuming grief and the devastating loss of not just her daughter but her dream for her own life as well. Barbara eventually finds support and a new way of thinking. While she continues the battle to save her daughter, she ultimately finds the courage to save herself. The conclusion deals with Annie's recovery and Barbara's. Both experience a spiritual awakening and are transformed. A new and better dream for Barbara's life is born.

Addiction and recovery insider and expert William Cope Moyers answers the question *Now what?* for addicts and their loved ones along every step of their journey through contemplation, intervention, treatment, and recovery. As the survivor of multiple relapses and near-fatal experiences with his addiction to alcohol and other drugs, William Cope Moyers knows what it's like to desperately need but not know how to find a good treatment program. As Moyers was struggling, his parents, television journalist Bill Moyers and his wife Judith, were also battling to understand what was happening to their son and what to do about it. Thanks to a successful intervention, intensive inpatient treatment, and a rigorous Twelve Step program, Moyers has been clean and sober since 1994 and has devoted his life to guiding others in getting the help they need. In the course of his work as a recovery advocate and ambassador with Hazelden Foundation, Moyers has talked with hundreds of alcoholics, addicts, and their families and has been a lifeline in helping them get the treatment they need. Drawing from both his own journey and the experiences of those he's helped, Moyers applies his passion and trademark down-to-earth style to lead readers through the process of recognizing when someone needs help, finding a quality treatment program, navigating the treatment process, and establishing a support system after treatment.
