I Love Trains

Hi! My name is Ellie. I like to travel. I like to go to new places. I like to see new things. I like all kinds of trips - short trips, long trips, and even medium trips! My favorite way to travel is by train. It is so exciting!

When I was a baby, less than a year old, I made my first train trip. My parents took me to see my grandparents. I do not remember that trip at all.

So far, I have been to twenty-five American states. I have been to Canada. I have been to Mexico. I have been to Italy, too.

I went to all those places by train. Well, I did not go to Italy on a train. We flew there. After all, trains do not travel over oceans! When we got there, though, we traveled in Italy on Italian trains.

Trains have been around for a long time. The first steam-powered train took one hundred forty-one people on a six-mile trip in 1825. Of course, trains are very different now. They move much faster, for one thing. One of
