By September, the British Prime Minister is flying to Munich to try to make peace with Hitler, and in the same week, Violet travels to the remote moorland of Thorndale to visit relatives, escaping her own war with her father. But when Violet learns the truth about Ellis' love for Peggy, will she finally be able to make her peace with him? *The Peacemaker* is a story of buried family secrets and the search for understanding from one generation to the next, and between men and women. Carole Bromley, author of *The Stonegate Devil*. *Hybrid healing* Lori Ann Garner, 2022-12-13. Through combinations of instructive prose and incantatory verse, liturgical rituals, and herbal recipes, Latinate learning, and oral tradition, the Old English remedies offer hope not only for bodily ailments but also for such dangers as solitary travel, swarming bees, and stolen cattle. *Hybrid healing* works from the premise that the tremendous diversity of Old English medical texts requires an equally diverse range of interpretative methodologies. Through a case study approach, this exploration of early medicine offers a series of close readings tailored specifically to individual remedies, drawing from a range of fields including plant biology, classical rhetoric, archaeology, folkloristics, and disability studies. Embracing the endless complexity of these Old English texts, *Hybrid healing*

argues that the healing power of individual remedies ultimately derives from a dynamic and unpredictable process that is at once both deeply traditional and also ever changing      Thorns in a Realm of Roses Thomas Crockett,2019-04-26 England 1541 King Henry receives an anonymous letter suggesting that his fifth wife the young Katherine Howard whom he had called a rose without a thorn may have led an unchaste life before they married In the rose gardens of Hampton Court Palace Henry feels the illusion of youth and virility slip away he faces an uncertain future Must he dispatch yet another wife Old overweight and increasingly infirm could he find love and marry again to further secure the Tudor line Written with literary invention Thorns in a Realm of Roses spans the final years in Henry s reign Peeling back the layers of life at Court it examines the hearts and minds of Henry his often misbegotten queens neglected daughter Mary and his many loyal though wary advisors as they all struggle to survive in a world embroiled in political and religious upheaval ruled by a petulant King
