Neufeld,Jody Neufeld,2010-06-03 Along Bible Paths Summer Devotions grew out of the daily devotional e mail list that Jody Neufeld began in 1999 to encourage others to begin their day with the Lord Many continue to enjoy these thoughts in their e mail every weekday morning or via the Jody s Devotionals blog This book is a collection organized for the summer We hope many more will enjoy these in printed form The Sacred Journey

Christopher D Surber,2010-09-29 The Sacred Journey is a collection of insights thoughts and personal experiences centered on and emanating from the Beatitudes of Jesus from the Sermon on the Mount Within its pages we are invited to consider the radical love with which God pursues His creation God in Jesus Christ was determined to make a way for sinners to be forgiven at the Cross While man had sinned and caused a divide between himself and His creator God has insisted that those who receive the grace and mercy offered in His Son shall be forgiven of sin and reconciled unto God in eternally secure love God in salvation is singly focused on reconciling all who will place their trust their faith and their hope in that sacrifice It is not we who make our way to God through good works right belief perfectly ordered creedal statements or any other edifice of human composition It is God who pursues us heatedly to receive the radical beauty of the violence of the Cross God has pursued forgiven and reconciled us unto Himself Through the wrath which was poured out upon Jesus mercy was poured out on us Salvation is purely the work of God s mercy and grace We who have received Him have done so by faith when we have responded to the pull of God on our hearts Grace rests upon us because God has loved us What in response to such a violent grace should our reply to God be *You Are Brahman, Not A Billiard Ball* Ramanathan S Manavasi,2024-03-07 The country India that is Bharath is changing its outlook From the Secular viewpoint to Sacred and Sacrosanct This Priyamvada the Hindu perception of excellence also embraces other religions The refreshing ambience prompted the author to delineate Brahman with a warm hearted approach The ego limits itself to the body through error It sees itself as a wave that has

missed its synonymity with the ocean Creator turned creature the God who is the experiencer Yet God and no less Wherever I am pulsates that is the proof of God the presence of God Aham Bramasmi I am Brahman The author has explored all possibilities of detailing the concept of Brahman He has illuminated the landscape of this book with the lovely expressions of luminaries like Ramana Maharishi Swami Dayananda Saraswati Spinoza Schrodinger and Wittgenstein He has showcased the brilliant books of some eminent authors which offer many remarkable insights If you first get established in the truth after that when you look at the world when you look at time when you look at manifestation you will not get carried by it In this context each page of this book is a treasure trove of information and every image is worth a thousand words You can be captivated by the vast range of interpretations Pick a book today explore and enjoy the reading *Good Morning, LORD!* Linda K. Estes, 2017-04-05 What are your mornings like Rushing out the door to work to school to however many task a day holds How can your to do list be longer than the hours in the day We know we should spend some time with God because He can help us get through this day but where do we find the time Help Linda Estes invites you to join her in a one minute devotion each day with our LORD Take a thought that He has laid on her heart into your day Let it surround your thoughts your tasks and see what God will do with it Join Linda and say Good Morning LORD *God's Promise of Victory* Iris Subel Davis, 2012-08-10 Love What was created to be so beautiful that words for centuries have been unable to encompass its many facets has now become for many a twisted and painful symbol for many who have suffered abuse of any kind And yet in spite of that pain we continue to seek love s beauty once again This book is written by one who has passed through the flames of abuse shame guilt and confusion Only by God s grace has she come out on the other side in victory She was given the courage to look at her pain identify forgive and live again as someone new and ready to live again Within these pages may you also find hope courage and healing as you take those first steps toward your own victory May you glean some wisdom that will give you strength for today as you follow the author s own steps through the process of revelation May you also find daily practical new habits of thinking and living in real love for yourself and others Philippians Bruce G.
