Wolcott,2012-08-16 Throughout the twentieth century African Americans challenged segregation at amusement parks swimming pools and skating rinks not only in pursuit of pleasure but as part of a wider struggle for racial equality Well before the Montgomery bus boycott mothers led their children into segregated amusement parks teenagers congregated at forbidden swimming pools and church groups picnicked at white only parks But too often white mobs attacked those who dared to transgress racial norms In *Race Riots and Roller Coasters* Victoria W Wolcott tells the story of this battle for access to leisure space in cities all over the United States Contradicting the nostalgic image of urban leisure venues as democratic spaces Wolcott reveals that racial segregation was crucial to their appeal Parks pools and playgrounds offered city dwellers room to exercise relax and escape urban cares These gathering spots also gave young people the opportunity to mingle flirt and dance As cities grew more diverse these social forms of fun prompted white insistence on racially exclusive recreation Wolcott shows how black activists and ordinary people fought such infringements on their right to access public leisure In the face of violence and intimidation they swam at white only beaches boycotted discriminatory roller rinks and picketed Jim Crow amusement parks When African Americans demanded inclusive public recreational facilities white consumers abandoned those places Many parks closed or privatized within a decade of desegregation Wolcott s book tracks the decline of the urban amusement park and the simultaneous rise of the suburban theme park reframing these shifts within the civil rights context Filled with detailed accounts and powerful insights *Race Riots and Roller Coasters* brings to light overlooked aspects of conflicts over public accommodations This eloquent history demonstrates the significance of leisure in American race relations Los Angeles Magazine ,2003-10 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian Bulletin of the League of American Municipalities ,1913 *Black Manhood on the Silent Screen* Gerald R. Butters,2002 In early twentieth century motion picture houses offensive stereotypes of African Americans were as

predictable as they were prevalent Watermelon eating chicken thievery savages with uncontrollable appetites Sambo and Zip Coon were all representations associated with African American people Most of these caricatures were rendered by whites in blackface Few people realize that from 1915 through 1929 a number of African American film directors worked diligently to counter such racist definitions of black manhood found in films like D W Griffith s *The Birth of a Nation* the 1915 epic that glorified the Ku Klux Klan In the wake of the film s phenomenal success African American filmmakers sought to defend and redefine black manhood through motion pictures Gerald Butters s comprehensive study of the African American cinematic vision in silent film concentrates on works largely ignored by most contemporary film scholars African American produced and directed films and white independent productions of all black features Using these race movies to explore the construction of masculine identity and the use of race in popular culture he separates cinematic myth from historical reality the myth of the Euro American controlled cinematic portrayal of black men versus the actual black male experience Through intense archival research Butters reconstructs many lost films expanding the discussion of race and representation beyond the debate about good and bad imagery to explore the construction of masculine identity and the use of race as device in the context of Western popular culture He particularly examines the filmmaking of Oscar Micheaux the most prolific and controversial of all African American silent film directors and creator of the recently rediscovered *Within Our Gates* the legendary film that exposed a virtual litany of white abuses toward blacks *Black Manhood on the Silent Screen* is unique in that it takes contemporary and original film theory applies it to the distinctive body of African American independent films in the silent era and relates the meaning of these films to larger political social and intellectual events in American society By showing how both white and black men have defined their own sense of manhood through cinema it examines the intersection of race and gender in the movies and offers a deft interweaving of film theory American history and film history
