unerring accuracy and heartfelt precision When Tommy Weber and Susan Puss Coriat London s most beautiful couple were married in 1964 it was the fitting end to a storybook romance But the fast cars Tommy loved to race their celebrity friends and the huge trust fund Puss had inherited masked a tortured truth both had suffered through oppressive and neglectful childhoods and were now caught up in a wildly extravagant lifestyle that neither Puss inheritance nor Tommy s increasingly desperate schemes could support Six years later Puss found herself wandering around India with her two sons while Tommy who was now smuggling drugs to survive lived in London with a stunning young actress A Day in the Life is also the stirring account of how the couple s tow sons one of whom is the well known actor Jake Weber somehow managed to survive a childhood that would have destroyed those of lesser spirit An unbelievable true life tale that often reads like a novel A Day in the Life follow the fortunes and misfortunes of one remarkable family while also introducing us to an extensive cast of supporting characters that includes Keith Richards Anita Pallenberg Mick Jagger Jimi Hendrix Eric Clapton George Harrison John Lennon and Charlotte Rampling as well as many of the movers and shakers who helped create the swinging London scene

House of Nutter Lance Richardson,2018-05-01 The strange illuminative true story of Tommy Nutter the Savile Row tailor who changed the silhouette of men s fashion and his rock photographer brother David who captured it all on film From an early age there was something different about Tommy and David Nutter Growing up in an austere apartment above a caf catering to truck drivers both boys seemed destined to lead rather humble lives in post war London Tommy as a civil servant David as a darkroom technician Yet the strength of their imagination plus a little help from their friends transformed them instead into unlikely protagonists of a swinging cultural revolution In 1969 at the age of twenty six Tommy opened an unusual new boutique on the golden mile of bespoke tailoring Savile Row While shocking a haughty establishment resistant to change Nutters of Savile Row became an immediate sensation among the young rich and

beautiful beguiling everyone from Bianca Jagger to the Beatles who immortalized Tommy's designs on the album cover of Abbey Road. Meanwhile David's innate talent with a camera vaulted him across the Atlantic to New York City where he found himself in a parallel constellation of stars Yoko Ono Elton John who enjoyed his dry wit almost as much as his photography. House of Nutter tells the stunning true story of two gay men who influenced some of the most iconic styles and pop images of the twentieth century. Drawing on interviews with more than seventy people and taking advantage of unparalleled access to never before seen pictures letters sketches and diaries journalist Lance Richardson presents a dual portrait of brothers improvising their way through five decades of extraordinary events their personal struggles playing out against vivid backdrops of the Blitz an obscenity trial the birth of disco and the devastation of the AIDS crisis. A propulsive deftly plotted narrative filled with surprising details and near operatic twists House of Nutter takes readers on a wild ride into the minds and times of two brilliant dreamers.

Looking for Bruce Conner Kevin Hatch, 2016-02-12 A new perspective on the enormously influential but insufficiently understood work of San Francisco based artist Bruce Conner 1933-2008. In a career that spanned five decades most of them spent in San Francisco Bruce Conner 1933-2008 produced a unique body of work that refused to be contained by medium or style. Whether making found footage films hallucinatory ink blot graphics enigmatic collages or assemblages from castoffs Conner took up genres as quickly as he abandoned them. In this first book length study of Conner's enormously influential but insufficiently understood career Kevin Hatch explores Conner's work as well as his position on the geographical cultural and critical margins. Generously illustrated with many color images of Conner's works Looking for Bruce Conner proceeds in roughly chronological fashion from Conner's notorious assemblages BLACK DAHLIA and RATBASTARD among them through his experimental films populated by images from what Conner called the tremendous fantastic movies going in my head from all the scenes I'd seen his little known graphic work and his collage and inkblot drawings.

Left Shift John A. Walker, 2001-12-21 John Walker brings to vivid life a neglected period in twentieth century art history. He re-creates a time when visual fine artists under the impact of left wing politics women's liberation and the gay movement were seeking to re-establish a social purpose. His story is one of a struggle for art by contending factions in the art world in which artists curators critics and organisations both establishment and alternative key exhibitions galleries and magazines all play a part. He offers welcome insight into the work of the key players and the many forms they used to express radical engagement in the events of the decade.

Syd Barrett & Pink Floyd Julian Palacios, 2015-06-29 Syd Barrett was an English composer and purveyor of some of the most intriguing music ever written. Famous before his twentieth birthday Barrett led the charge of psychedelia onstage at London's famed UFO club. With a Fender Telecaster and a primitive Binson echo unit Barrett liberated the guitar from being in critic Simon Reynolds' words a riff machine and turned it into a texture and timbre generator. His inspired

celestial flights of improvisation and his more structured and whimsical short songs indicated a mind of unusual inventiveness Chief in Barrett's mind was a Zen like insistence on spontaneity each performance had to be unique and Barrett strived to push his music farther and farther out into the zone of complete abstraction This in depth analysis of Pink Floyd founding member Syd Barrett's life and work is the product of years of extensive research *Lost in the Woods* traces Syd's swift evolution from precocious young art student to acid fuelled psychedelic rock star and examines the myriad musical and literary influences that he utilised in composing his hypnotic groundbreaking songs A never forgotten casualty of the excesses innovations and idealism of the 1960s Syd Barrett is one of the most heavily mythologized men in rock and *Lost in the Woods* offers a rare portrayal of a unique spirit in freefall [The Advocate](#) ,2001-06-19 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States **Robert Brownjohn** Emily King,2005 Robert Brownjohn's cult status is justly deserved Although his career lasted less than a quarter century he created more signature pieces than many designers who work three times as long consistently producing work of the highest quality Born in New Jersey in 1925 he was taught by Laszlo Moholy Nagy at the Chicago Institute of Design formerly the New Bauhaus in the 1940s He worked in New York in the 1950s and spent the 1960s at the epicentre of swinging London on the King's Road Best known for his title sequences for the Bond films *From Russia With Love* 1963 and *Goldfinger* 1964 he produced numerous other influential pieces and his impact on American and British design was unmistakeable Brownjohn's death in 1970 deprived graphic design of one of its most brilliant and original minds
