How to Make Your Hair Grow Faster Tara White,2015-01-08 Every woman dreams of having long thick and luscious hair that shines while feeling soft to the touch That is indeed the dream This dream is not as difficult as it may seem but it does require a lot of care However you don't have to worry or fret if you just had a bad haircut and can't wait to get your hair back to its original length once again Not only can your hair grow back to its original length but it can grow thicker shinier and healthier than ever before How can you do that if you ask then just stay with us and read this book cover to cover and you will have all the tips and tricks in your hand that are necessary for achieving hair that makes men turn and stare and women eye you with envy Hair makes up a significant part of one's appearance This is why bad hair days are frustrating because our hair has a great impact on our overall appearance and the impression we make on people Go out one day with a less than perfect hairstyle and just observe how people treat you It is a fact that people don't take someone with bad hair seriously Beauty standards are at an all time high and the importance of perfect hair has gone up as well However it is these harsh treatments which make our hair look perfect that are also the cause behind premature hair loss The years of teasing blow drying straightening pulling tugging and treating our hair harshly tends to take its toll and before we know it no amount of styling will make your hair look as perfect as it used to You can see split ends damaged locks and hair that just won't behave As hair becomes weak it tends to break easily This is also the reason why many people experience hair loss thereby making it difficult for them to grow hair faster Thinning hair doesn't look good even when it is long Seeing the depressing state of their hair they tend to opt for salon treatments haircuts and expensive hair products However nothing seems to do the trick The fact of the matter is that hair which has grown weak from the inside will look weak and unhealthy on the outside as well These treatments that promise your hair will look healthy shiny manageable and silky all have harsh chemicals that force your hair to behave while further weakening them from inside It is at these times that you need to realize returning to the basics is your best option Instead of continuing to lather your hair with one treatment after another maybe you need to step back and take a good look at the damage and then take steps accordingly In this book we are going

to focus on helping you improve the health of your hair helping you reduce hair loss as well as provide homemade treatments and tips that will help you grow your hair faster and thicker
