Going-Concern-Principle in Non-Financial Disclosure Rosa Lombardi, 2021-08-31 This book investigates the going concern principle in the non financial disclosure by companies in the international scenario proposing concepts and challenges to come Following the main accounting literature requirements and regulations this book proposes the current state of the art in the non financial disclosure collecting main mandatory and voluntary frameworks and standards e g European Directive 2014 95 UE on non financial information Global Reporting Initiative International Integrated Reporting Council Sustainability Accounting Standards Board Climate Disclosure Standard Board Carbon Disclosure Project AA1000 This is a useful proposition for the investigation of the presence versus absence of the going concern in the sustainability and non financial reports and disclosure by companies Through a qualitative methodology this book is intended to show the incidence of the going concern in the non financial disclosure and to what content and meaning it is refereed Several issues and characteristics of information provided to stakeholders are drafted *Going Concern Valuation* L. Deane Wilson Ma Asa, Robin G. Wilson Mai, 2012-02 Our purpose in writing this book is multifaceted First this book aims to present a clear understanding of going concern valuations at the same time resolving the current misrepresentations surrounding the issue Additionally this book offers a new set of rules readers can use to determine which property types qualify as going concern valuations and which do not This book presents an understanding that in performing a Going Concern Valuation of properties

which are perceived to have a business component it may not be possible to segregate allocate or value the components individually For example when appraising the going concern value of a motel with occupancy of 75% it could be argued and possibly proven that there is a value that can be separated from the overall value or going concern value to the business component On the other hand however appraising that same motel with only 40% occupancy presents a completely different set of circumstances that could easily draw completely opposite conclusions It simply may be a lack of sufficient tools or data to argue and prove that the business component in fact has value separate from the real estate To do so with authority is tantamount to ignorance or arrogance

Auditor Going Concern Reporting Marshall A. Geiger, Anna Gold, Philip Wallage, 2021-06-09 Auditor reporting on going concern related uncertainties remains one of the most challenging issues faced by external auditors Business owners market participants and audit regulators want an early warning of impending business failure However companies typically do not welcome audit opinions indicating uncertainty regarding their future viability Thus the auditor's decision to issue a going concern opinion GCO is a complex and multi layered one facing a great deal of tension Given such a rich context academic researchers have examined many facets related to an auditor's decision to issue a GCO This monograph reviews and synthesizes 182 recent GCO studies that have appeared since the last significant review published in 2013 through the end of 2019 The authors categorize studies into the three broad areas of GCO 1 determinants 2 accuracy and 3 consequences As an integral part of their synthesis they summarize the details of each study in several user friendly tables After discussing and synthesizing the research they present a discussion of opportunities for future research including issues created or exacerbated as a result of the global COVID 19 pandemic This monograph will be of assistance to researchers interested in exploring this area of auditor responsibility It will also be of interest to auditing firms and individual practitioners wanting to learn what academic research has examined and found regarding this challenging aspect of audit practice Auditing standard setters and regulators will find it of interest as the authors review numerous studies examining issues related to audit policy and regulation and their effects on GCO decisions The examination of GCO research is extremely timely given the financial and business disruption caused by the worldwide COVID 19 pandemic This unprecedented global event has caused companies auditors and professional bodies to revisit and reassess their approach to going concern and to think even more deeply about this fundamental business imperative

Southeast European (Post)Modernities. Part 2 Klaus Roth,Jennifer Cash,Jutta Lauth Bacas,2014 In southeast Europe more than 20 years of rapid change under the combined impact of transformation globalization and EU integration have deeply affected the structures of everyday life and have produced a variety of post modern lifestyles This book s contributions focus on the changing practices and patterns of everyday life The concepts of multiple modernities and post modernity appear to be particularly appropriate for a region in which everyday life is marked by often sharp contrasts the coexistence of modern and traditional labor relations and legal concepts the return to traditional

religions and the adherence to new religious forms the enthusiasm for modern communication technologies the reliance on national identification Understanding these paths to post modernity is relevant for those generally interested in processes of socio cultural change but particularly for those interested in the Balkans Series Ethnologia Balkanica Vol 16
