**Growing Musicians** Bridget Sweet, 2015-12-23 *Growing Musicians Teaching Music in Middle School and Beyond* focuses on teaching adolescents within the context of a music classroom. It considers the impact of music education on adolescents as they transition from child to adult as well as encourages music educators to mindfully examine their own teaching practice.

*EBOOK: Qualitative Research Design for Software Users* Silvana di Gregorio, Judith Davidson, 2009-01-16 Di Gregorio the second part uses case studies to demonstrate the issues and the design framework introduced in the first part. These chapters are supported by numerous screenshots illustrating the software under discussion. The last part contains practical appendices to help readers apply the framework introduced to their own research. Di Gregorio and Davidson introduce The notion of the E Project or electronic project as a genre. A framework for representing the research design of a project in any QDAS package. Ethical considerations when working in QDAS. A variety of contextual issues including national and organizational differences. Eight real research projects of a variety of designs and using different QDAS: ATLAS ti MAXqda NVIVO and XSight. Separate checklists for ATLAS ti MAXqda NVIVO and XSight providing practical help in applying the research design framework presented in the book. Uniquely the book examines issues related to both academic and non academic uses of QDAS. *Qualitative Research Design for Software Users* is a useful reference for upper level students, academics and researchers across a range of disciplines.
