No more regrets: 30 ways to greater happiness and meaning in your life, 2010. Why do we have regrets and what can we do about it? We all want to live a life without regrets. Whenever we do something we wish we hadn't or don't do something we wish we had, we vow it won't happen again. But why do we have regrets in the first place? Because we become prisoners of habit and circumstance, we take people in our lives for granted and fail to be true to ourselves. We stop growing and learning, become self-absorbed and judgmental, and lose touch with our innate goodness. Inspired by his final conversation with a dying friend, Marc Muchnick's *No More Regrets* is specifically designed to help you avoid these pitfalls. Just one or two of the 30 ways to greater happiness and meaning outlined here could potentially change your life. Muchnick's suggestions are straightforward, thoughtful, and easy to implement, often just a matter of shifting perspective and seeing the world differently. He illustrates each with a moving personal story and includes a No More Regrets Game Plan tool to help

you banish regret from your life forever
