Reconsidering Conceptual Change: Issues in Theory and Practice Margarita Limón, L. Mason, 2007-05-08 The chapters in this volume derive from a symposium held in Madrid Spain from 6 8 November 1998 Organized and supported by the Aut noma University of Madrid the meeting was part of the activities of the Special Interest Group SIG on Conceptual Change of the European Association for Research on Learning and Instruction EARLI coordinated by the editors of this book The volume brings together contributions from leading researchers investigating the role of conceptual change to enhance meaningful learning in the classroom The aim of the volume is to present the state of the art on a topic that has become very relevant to explaining how students and people in general build their knowledge and incorporate new concepts and ideas The volume keeps the four main sessions in which the symposium was articulated They were structured around both theoretical and practical issues of conceptual change Particular attention was paid to discussing the characteristics of individuals prior knowledge and to the more recent topic of how to integrate social motivational and contextual aspects of learning within conceptual change research Parts 1 and 2

Schools, Food and Social Learning Gurbinder Singh Lalli, 2019-09-30 This book explores the potential of school dining halls as spaces of social learning through interactions between students and teachers Schools Food and Social Learning highlights the neglect of school dining halls in sociological research and the fact that so much can be gained from fostering interpersonal relations with other students and the school staff over meals The book focuses primarily on social and life skills that students develop during lunch hour meetings modelling behaviors while eating and conversing in the school space known as the restaurant With case studies based in the UK the book takes a social constructivist approach to dealing with the tensions and challenges between the aims of the school creating an eating space that promotes social values and encourages the development of social skills and the activities of teachers and catering assistants of managing and providing food for many students daily The book carries snippets of interviews with children dining hall attendants teachers parents and the school leadership team offering a new way of thinking about social learning for both scholars and students of Social Anthropology Sociology Social Policy Food Policy Education Studies and Childhood Studies
