Cake Toppers Ann Pickard, 2015-07-02 These 12 cute little characters are so simple to make by adults or children you can make them purely for fun and place them on an iced board or use them to decorate a cake for someone you love Make your cake toppers weeks or months in advance ready to decorate a Christmas or birthday cake just remember not to store them anywhere damp Because no moulds or cutters are used each little character you create will have its own personality and no two will be identical You can use any modelling medium not just sugarpaste For example salt dough is best for larger models and coloured modelling clay for tiny ones Handy templates make it easy to judge the sizes of the various body parts of your cake toppers The possibilities are endless

McCain: The Myth of a Maverick Matt Welch, 2007-10-16 John McCain is one of the most familiar sympathetic and overexposed figures in American politics yet his concrete governing philosophy and actual track record have been left curiously unexamined mostly because of the massive distractions in his official biography but also because of his ingenious strategy of talking ad infinitum to each and every access craving media person who happens by The more he has spouted the less journalists have bothered trying to see through the fog McCain gives the public what it wants but can't find a flesh and bones political portrait of a man onto whom people are forever projecting their own ideological fantasies It is a psychological key for decoding his allegedly maverick actions McCain will quickly lay out in overlapping detail the root cause of the senator's worldview his personal transformation from underachieving punk to war hawk uber patriot in which he used the higher power of American nationalism to save his life and soul McCain looks behind the war hero behind the maverick reformer Journalist and pundit Matt Welch brings to this project an investigative eye and a coolly analytical mindset to provide Republicans Democrats and Independents a picture of the man

Cake Characters Ann Pickard, 2014-07-30 Here is another great title in the successful e Cozye series It features 30 easy to make fun and fabulous cake decoration characters ideal for that special celebration Whatever the occasion the personal touch will mean so much and the guest of honour will be delighted by these charming centrepieces No prior knowledge is needed Ann has simplified the process in an ingenious way so even beginners will be amazed by the fantastic results they can achieve following her copiously illustrated step by step instructions Just as a cartoon artist can get a character across to a viewer in a few strokes of a pen the cake character modeller can raise an eyebrow or paint in a jolly laughing mouth and capture just the right mood for the occasion These basics are carried through

the 30 projects from a menagerie of animals to a clown and snowman and the reader can adapt them to suit the recipient
