Guess What Dear Diary:

Guess What? Dear Diary, Cherrye S. Vasquez Ph. D., Kelly A. Vasquez, 2012-08-01 The author and illustrator of this diary desire a fun and exciting way for young girls to write about their greatest accomplishments personal feelings and fears As young girls grow up they will have their share of life's problems but writing can be soothing for the mind and soul Both the author and illustrator realize that there will be triumphs as well as pitfalls during life but journaling about daily ins and outs via a diary can be nurturing rewarding and refreshing for a girl's emotional state The author and illustrator would like for parents to feel comfortable appreciating and understanding that in no way are they encouraging girls to keep secrets from their parents The headings topics are appropriately tailored for girl-like thoughts and they are pure in everyday life and nature **Poem!** CK Barrett, 2010-01-29 A girl's prattle of the now then the then again her albatross and other stuff as well

Mortified David Nadelberg, 2006-11-28 Share the shame In the days before blogs teenagers recorded their lives with a pen in top secret notebooks usually emblazoned with an earnest underlined plea to parents to keep away Since 2002 David Nadelberg has tapped that vast wellspring of adolescent anguish in the stage show *Mortified* in which grown men and women confront their past with firsthand tales of their first kiss first puff worst prom fights with mom life at bible camp worst hand job best mall job and reasons they deserved to marry Simon LeBon Following the same formula that has made the live show a beloved cult hit *Mortified* the book takes real childhood journals and documents and edits the entries into captivating comedic and cathartic stories introduced by their now older and allegedly wiser authors From letters begging rescue from a hellish summer camp to catty locker notes about stuck up classmates to obsessive love that borders on stalking *Mortified* gives voice to the real and really pathetic hopes fears desires and creative urgings that have united adolescents for generations *The Surprise of My Life* Claire Drainie Taylor, 2010-10-30 It's an autobiography If I tell you what's in it you won't read the book Claire Drainie Taylor Or would you Maybe you'd be intrigued by the progression of a life begun as an unexceptional little girl born to a middle class Jewish Canadian couple in a small prairie town who at age sixteen married a refined Englishman and survived the Great Depression partly alone in a shack in the woods of Vancouver Island Or how only a few months after returning to Vancouver with no training and minimal education this same young woman walked on stage at one of Canada's finest old theatres and went on to a successful thirty year career as an actress and radio dialogue writer Having been compelled by her family to write her memoir it wasn't until she'd finished and reread her manuscript that Claire Drainie Taylor realized what an extraordinary life she'd led Her descriptions of the many fascinating incidents that make up her story and how she dealt with them revealed herself to herself in a way that illuminates what she calls *The Surprise of My Life*

Dry Your Smile Robin Morgan, 2016-09-13 A former child actor searches for her true self in this novel within a novel from a leader of the international feminist movement Before she even turned fourteen Julian Travis made enough money as a TV star to support her mother for life in an apartment in one of Manhattan's best buildings But now Julian is in her midforties

and things are not so glamorous or easy Her mother is slowly dying of Parkinson s her marriage of twenty years is steadily disintegrating and money is scarce Though Julian is a famed feminist spokeswoman and published poet when she looks into the mirror she doesn t recognize herself That and the novel she is writing are giving her a terrible time Dry Your Smile takes readers on a journey into Julian s past from the precarious circumstances surrounding her birth to the lies and stories her mother wove about her absent father to her childhood diary and dreams and her subsequent escape into the arms of a revolutionary artist and a bohemian life In the present Julian delves into the emotional baggage imparted by her Jewish stage mom as a means of taking off the many masks she has worn over the years and begins writing prose through the voice of her younger self She also searches for a new future in a lesbian love affair with Iliana a bisexual photographer and the one person who makes Julian feel beautiful In the end however perhaps what Julian needs most is to separate herself from the expectations and images of others and truly listen to the woman she has become A roman clef of author and poet Robin Morgan s own struggles with what it means to be a female writer in the late twentieth century Dry Your Smile is an intelligent and cathartic addition to any feminist library

A Social-Scientific Examination of the Dynamics of Communication, Thought, and Selves Sekalala, Seif,2022-06-17 Intrapersonal communication has been considered and studied less in comparison to general communication and other related topics Moreover intrapersonal communication is usually mentioned in the context

of studying other topics as opposed to being studied singularly To fully understand the complexity and potential uses of this field of study intrapersonal communication must be researched further A Social Scientific Examination of the Dynamics of Communication Thought and Selves focuses on the concept of intrapersonal communication discusses how and why we communicate with ourselves and considers how scholars can help humans improve and harness intrapersonal communication in fields such as artificial intelligence The book also makes a forceful case for the importance and potential utility of intrapersonal communication Covering topics such as language sociology and cognitive science this reference work is ideal for sociologists psychologists industry professionals academicians scholars researchers practitioners instructors and students

Inside Fighter Ruby Scott, 2020-12-30 Each of us has been given one life but when we feel broken or incomplete is it possible to find love Would you have the courage to take someone's hand towards a happier tomorrow Dani is a confident outgoing PR professional without a care in the world but she is about to find out what can happen in a single moment when you are in the wrong place at the wrong time Fighting to reclaim her confidence her life her strength Dani is encouraged by her friend to take up Krav Maga Meeting her instructor Logan is the first step on a journey that will transform both women's lives in a way neither could have foreseen This is a slow burn lesbian romance where strength courage and hope go hand in hand Because tomorrow will be better than today This is the first book in the STRONGER YOU Series Please note this book contains one scene relating to a street mugging and contains a storyline involving PTSD Have you read my other sapphic novels in The Stronger You Series Seconds Out On The Ropes Reviews This is the first book I've read by this author and it will definitely not be the last I enjoyed the characters and the plot of the story It sucks how one can see themselves damaged after being in an abusive relationship or being the victim of a crime but it was great how they came together and realized they needed each other in order to heal The intimate scenes were explosive I'm off to read the next book in the series Kindle Customer Well written The psychological aspects of the novel are well done Not overly The romance is solid Loved this book BendOre Excellent story about the effects of PTSD and overcoming them Relatable characters and likable Left me wanting more I look forward to the second book in the series Carley B This was the first story Ruby wrote in first person view and wow she did it in such an amazing way I mean I already thought before that Ruby is a gifted writer but after this book I'm looking for a word that increases the word gifted I'm honestly just so very proud of her Once more Ruby touched me deeply and my heart went out to both characters I actually saw so much of myself in Logan that I sometimes thought Dani is speaking to me It was almost scary Of course that also means that Ruby made me cry again Like she does it just every time Not sure how I should feel about that but I think I will just say thank you Thank you Ruby for letting me be a part of your journey For letting me forget everything around me every time I read one of your books For letting me feel all those feelings Besides I don't know how you do it but your quotes at the beginning of your books always get to me This time especially the second one I will try to keep that in mind for whenever there are doubts again I won't reveal too much about the story What I

can say is that as always you get all the feelings including some very hot scenes And you get to see characters that have to deal with some real baggage and that are doing that in such a wonderful way Last but not least I loved those diary entries so very much Everyone who reads the book will hopefully feel the same And the best about it is that this was just the start of a new series and there will be more I wanna finish my review with a saying that suits the book perfectly Maybe it s not always about trying to fix something broken Maybe it s about starting over and creating something better Conny Thoughts are Things Sheri L. Guess What Dear Diary Introduction

In today's digital age, the availability of Guess What Dear Diary books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Guess What Dear Diary books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Guess What Dear Diary books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Guess What Dear Diary versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Guess What Dear Diary books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Guess What Dear Diary books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Guess What Dear Diary books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Guess What Dear Diary books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Guess What Dear Diary books and manuals for download and embark on your journey of knowledge?
