Language planning and policy in Quebec Jakob Leimgruber, 2019-09-23 This book presents an in depth study of the language policies present in the Canadian province of Quebec and considers them from a comparative perspective with special focus on Singapore and Wales

In so doing it uses a mix of methods to look at the effects of language planning on language use questionnaires linguistic landscapes visible language in public space ethnography and psycholinguistic experiments Besides offering background information on Canada and Quebec the comparative element uses data from Singapore and Wales to shine a new light on how language is managed in Quebec Multilingual Subjects Daniel DeWispelare, 2017-04-04 In the eighteenth century the British Empire pursued its commercial ambitions across the globe greatly expanding its colonial presence and with it the reach of the English language During this era a standard form of English was taught in the British provinces just as it was increasingly exported from the British Isles to colonial outposts in North America the Caribbean South Asia Oceania and West Africa Under these conditions a monolingual politics of Standard English came to obscure other forms of multilingual and dialect writing forms of writing that were made to appear as inferior provincial or foreign oddities Daniel DeWispelare's Multilingual Subjects at once documents how different varieties of English became sidelined as dialects and asserts the importance of both multilingualism and dialect writing to eighteenth century anglophone culture By looking at the lives of a variety of multilingual and nonstandard speakers and writers who have rarely been discussed together individuals ranging from slaves and indentured servants to translators rural dialect speakers and others DeWispelare suggests that these language practices were tremendously valuable to the development of anglophone literary aesthetics even as Standard English became dominant throughout the ever expanding English speaking world Offering a prehistory of globalization especially in relation to language practices and politics Multilingual Subjects foregrounds the linguistic multiplicities of the past and examines the way these have been circumscribed through standardized forms of literacy In the process DeWispelare seeks to make sense of a present in which linguistic normativity plays an important role in determining both what forms of writing are aesthetically valued and what types of speakers and writers are viewed as full fledged bearers of political rights

Translation as a Set of Frames Ali Almanna, Chonglong Gu, 2021-07-14 Envisioned as a much needed celebration of the massive strides made in translation and interpreting studies this eclectic volume takes stock of the latest cutting edge research that exemplifies how translation and interpreting might interact with such topics as power ideological discourse representation hegemony and identity In this exciting volume we have articles from different language combinations e g Arabic English Hungarian and Chinese and from a wide range of sociopolitical cultural and institutional contexts and geographical locales China Iran Malaysia Russia and Nigeria Those chapters also draw on a diverse range of theoretical perspectives and methodological approaches e g critical discourse analysis Bourdieu's sociological theories corpus linguistics narrative theory and structuration theory focusing on translation and interpreting relating to various settings and specialised genres traditional media digital media subtitling manga etc As such this volume serves as a dynamic forum for intercultural and interlingual communication and an exciting arena for interdisciplinary dialogues thus enabling us to look beyond the traditionally more static mechanical and linguistics oriented views of translation and interpreting This book appeals to
