The Camp Fire Girls Do Their Bit Hildegard G. Frey,2013-11-01 The long train which for nearly an hour had been gliding smoothly forward with a soothing cradling motion of its heavy trucked Pullmans and a crooning lullaby sound of its droning

wheels came to a jarring stop at one of the mountain stations and Lieutenant Allison awakened with a start The echo of the laugh that he had heard in his dream still sounded in his ears a tantalizing compelling note elusive as the Pipes of Pan luring as a will o the wisp Above the bustle of departing and incoming passengers the confusion of the station and the grinding of the wheels as the train started again that haunting peal of laughter still rang in his ears still held him in its thrall calling him back into the dream from which he had just awakened Still heavy with sleep and also somewhat light headed for he had been traveling for two days and the strain was beginning to tell on him although the doctors had at last pronounced him able to make the journey home for a month s furlough he leaned his head against the cool green plush back rest and stared idly through half closed eyelids down the long vista of the Pullman aisle Then his pulses gave a leap and the blood began to pound in his ears and he thought he was back in the base hospital again and the fever was playing tricks on him For down in the shadowy end of the aisle there moved a figure which his sleep heavy eyes recognized as the Maiden the one who had flitted through his weeks of delirium luring him beckoning him calling him eluding him vanishing from his touch with a peal of silvery laughter that echoed in his ears with a haunting sweetness long after she and the fever had fled away together in the night not to return And now weeks afterward here she stood in the shadowy end of a Pullman aisle watching him from afar just as she had stood watching in those other days when he and the fever were wrestling in mortal combat The Camp Fire Girls Do Their Bit Or, Over The Top With The Winnebagos Hildegard G. Frey,2024-01-01 The Camp Fire Girls Do Their Bit is a compelling novel penned by Hildegard G Frey Set against the backdrop of World War I the tale follows the adventures of the Camp Fire Girls as they actively contribute to the war effort The ladies embark on a journey of selfless provider embracing roles that go past their traditional camp activities Led by way of their counselor the innovative and determined Camp Fire Girls immerse themselves in numerous wartime projects which include fundraising volunteering and supporting the community As they navigate the demanding situations of the technology the girls increase resilience empathy and a profound feel of duty Frey weaves themes of patriotism sacrifice and unity into the narrative emphasizing the significance of civic responsibility and collective action during instances of disaster The Camp Fire Girls Do Their Bit now not handiest entertains with its engaging storyline but also serves as a powerful exploration of the power and character which can emerge within the face of adversity Frey s writing captures the spirit of the times and instills timeless values of compassion and community carrier making the radical each an exciting and concept frightening read for audiences of all ages
