Wayne Muller, 2013-09-11 We all long to experience a sense of inner wholeness and guidance but today s notions of healing and recovery too often keep us focused on our brokenness on our deficiencies rather than our strengths Wayne Muller s luminous new book gently guides us to the place where we are already perfect already blessed with the wisdom we need to live a life of meaning purpose and grace He starts as do so many spiritual teachers with simple questions Who am I What do I love How shall I live knowing I will die What is my gift to the family of the earth He then takes us deeper exploring each question through transformative true stories We meet men and women Wayne s neighbors friends patients who have discovered love courage and kindness even in the midst of sorrow and loss And through them we glimpse that relentless spark of spiritual magic that burns within each of us Woven throughout are contemplations daily practices poems and teachings from the great wisdom teachings Page by page we become more awake to the joy and mystery of this precious human life and to the unique gifts every one of us has to offer the world *If This Is the "Last Days," How Then Shall We Live?* Jim Bard, 2012-03-08 Why is Jesus returning for the Rapture Who is He coming for

If all of the prophecies of the Bible have been fulfilled why has He not returned Is He just waiting for the right number of people to be saved This book offers a fresh and new look at prophecies that still need to be fulfilled It is an in depth look at the key to the return of Jesus There are prophecies relating to the world and the evil of this world building up to the Last Days There are also prophecies relating to the Bride for whom He is returning **How Should We Then Live? Schaeffer, 2005-03-03 As one of the foremost evangelical thinkers of the twentieth century Francis Schaeffer long pondered the fate of declining Western culture In this brilliant book he analyzed the reasons for modern society s state of affairs and presented the only viable alternative living by the Christian ethic acceptance of God s revelation and total affirmation of the Bible s morals values and meaning **How Should We Then Live?** Francis A. Schaeffer, 2022-03-09 Francis Schaeffer s Classic Analysis of the Rise and Decline of Western Thought and Culture Civilizations throughout history have built societies around their own limited value systems including rulers finite gods or relativism only to fail The absence of a Christian foundation eventually leads to breakdown and those signs are visible in present day culture as well Can modern society avoid the same fate In this latest edition of How Should We Then Live theologian Francis A Schaeffer traces the decline of Western culture from the fall of Rome through the Middle Ages and the Enlightenment and up to the twentieth century Studying humanism s impact on philosophy science and religion he shows how this worldview historically results in apathy chaos and decline Schaeffer s important work calls on readers to live instead by Christian ethics placing their trust in the infinite personal God of the Bible Originally written in 1976 How Should We Then Live remains remarkably applicable today A Theology Classic Written by renowned Christian philosopher Francis A Schaeffer For Those Interested in Philosophy and History Engages with the ideas of Plato John Locke Thomas Jefferson and Voltaire and examines the art architecture and ideas that shaped modern society Explores the Importance of a Christian Worldview A practical assessment of the evolution of culture and the steadfast alternative offered by the biblical perspective
