## **How To Attract Women The Irresistible Humor And Body Language Secrets:**

**How to Attract Women** Leonardo Bustos, 2015-09-10 How to Attract Women Attract more women with humor by reading this wildly funny and entertaining book You will be taken through a step by step formula that will help you to easily develop the high status humor skills and alpha male body language habits that women are subconsciously attracted to at a primal level You will discover how fun and exciting it is to confidently approach practically any woman anytime anywhere and instantly have a fun and humorous connection with her I ll show you a guaranteed foolproof method that has allowed me to engage attractive women in deep and thoughtful rapport by asking the right questions that cause her to become emotionally aroused Men are aroused more by visual cues A man looks at a woman searching for sexual stimuli like a jeweler looks for perfection in a flawless gem Visual cues convey information about a woman s health fertility and youth Women are aroused more by psychological cues A woman looks at a man much like a detective would a suspected criminal who is about to commit another crime The visual cues a woman looks for are status resources commitment kindness stability and humor Just as you are attracted to a beautiful face ass and breasts so are women attracted to male cleavage or the attractor factors that include high status humor I m going to show you how to develop those psychological cues that women can t help but be attracted With a little practice you ll start to notice that women will begin to smile at you more when you stimulate the emotional part of their brains that make them laugh You ll especially notice how they will start engaging you more in a playful manner and will then want to start spending more time with you Women want men to pursue them for sex The problem is too many guys are either too passive and conceal their sexual interest in women or they act like aggressive idiots and drive them away Luckily for you there is a very cool and natural way to approach and attract women so they become interested in you first and I m going to show you how to do it There is no doubt that women want to be sexually attractive and desired by men They are actively looking for those men who have the ability to unlock the code to their natural instinctive desires This book is going to teach you how to develop those traits and skills that tap into a woman s primal needs and desires You grew up with a modern female blueprint and I m going to show you how to record over it I m happy for the women s liberation movement and equality but along with it became the feminization of American society The Equal Rights Movement for women in the 60 s has caused role reversals and gender confusion that contradicts the conditioning of tens of thousands of years of customary male female roles Male and female blueprints that took around 200 000 years to evolve upended suddenly over the last 50 That is a 4 000 to 1 ratio That s like starting on less than the 1 inch line on a football field of a hundred yards It s no wonder the modern male population is so confused One of the primary reasons so many feminized males often referred to as wusses are unsuccessful in attracting women is they act like women themselves It won t work You can t reverse a few hundred thousand years of conditioning over a 50 year period and expect different results The methods you re about to learn were scientifically tested and proven to work in social experiments This information has been carefully

researched and documented from experts in the fields of evolutionary psychology sociology neuroscience evolutionary biology anthropology and many other fields too numerous to mention This book can change your life

*How To Attract Women With Humor* Leonard Bustos, Leonardo Amorado, 2013-09-16 I'm going to show you how fun and exciting it is to approach practically any woman practically anywhere and have an immediate humorous connection with her Women are actively looking for those men who have the ability to unlock the code to their natural instinctive desires and your going to learn how to develop those Attractor Factors that tap into a woman's primal needs and desires I'm going to let you in on a little secret Real men want to have sex with as many beautiful women as they possibly can I know you're probably shocked at this astonishing revelation but don't be alarmed It's not your fault and it's nothing to hide or be ashamed of In fact if your ancestors didn't feel the same way you wouldn't be here It's important to add that most honorable men in a relationship generally restrain themselves from acting on this primal desire mostly because of love and respect and to avoid hurting their partners However that doesn't mean this powerful urge still doesn't exist To this day learning to control this instinctive impulse tends to be the ultimate male dilemma Guess what Women desire and crave sex too The problem is too many guys are either too passive and conceal their sexual interest in women or they act like aggressive idiots and drive them away There is a very cool and natural way to approach and attract women so they become interested in you first and I'm going to show you how to do it There's no doubt that women want to be sexually attractive and wanted by men They are actively looking for those men who have the ability to unlock the code to their natural instinctive desires This book is going to teach you how to develop those traits and skills that tap into a woman's primal needs and desires You will become in so many words simply irresistible Attraction is not a choice These are natural biological reactions embedded in our DNA developed over tens of thousands of years Just as men have these responses to attractive women so do women have similar reactions when they observe men with certain masculine traits We often think of the male as competing with other males for the prize of mating with the female but women of course

also compete for the opportunity to mate with the male who has the most desirable traits I m going to teach you what those masculine traits are and how you can develop and use them so that you become more attractive and irresistible to women I m happy to report that some of you guys will be very relieved to know that looks aren t at the top of the list of attraction for women I m just saying If you want to experience life s ultimate pleasure of falling in love and being in love with all of the benefits that come with it like incredible sex great companionship having someone to laugh with someone to be there for you through good times and bad and just having a partner to share and experience life with then I promise to show you how to connect with her if you are willing to take the necessary steps I m about to share I can t think of a more important decision in life that you will ever make regarding your happiness than with whom you choose to share your life Finding a quality woman all begins with meeting her and in order to meet her you ll need to know how to approach and cause her to be attracted and interested in you *The Literary World* ,1878 *Werner's Magazine* ,1885 **Effective Body Language Secrets to**
