How to Be a Drug Dealer 673126, J. M. R. Rice, 2014-12-24 Are you tired of working all day and night without having anything to show for it Would you like to be able to afford a vacation or just be your own boss This book will do just that by teaching you How to be a Drug Dealer Are you already a drug dealer but want to expand your business Look no further than this book to help you increase your profits and grow your empire *The Social Order of the Underworld* David Skarbek, 2014 This book challenges the widely held view that inmates create prison gangs to promote racism and violence On the contrary gangs form to create order Most people assume that violent inmates left to themselves will descend into a chaotic anarchy but that's not necessarily the case This book studies the hidden order of the prison underworld to understand how order arises among outlaws It uses economics to explore the secret world of the convict culture inmate hierarchy and prison gang politics Inmates engaged in illegal activity cannot rely entirely on state based governance institutions such as courts of law and the police to create order Correctional officers will not resolve a dispute over a heroin deal gone wrong or help kill a predatory rapist Yet the inmate social system is relatively orderly and underground markets flourish In today's prisons gangs play a pivotal role in protecting inmates and facilitating illicit commerce They have sophisticated internal structures and often rely on elaborate written constitutions To maintain social order gangs adjudicate conflicts and orchestrate strategic acts of violence to negotiate the competing demands of inmates gang members and correctional officers This book uses economics to explain why prison gangs form how formal institutions affect them and why they have a powerful influence even over crime beyond prison walls Economics explains the seemingly irrational truly astonishing and often tragic world of life among the society of captives *Surviving The Game: How To Succeed In The Music Business* Sahpreem A.
