Carpe diem, that's how you say seize the day in French

### Genius Annotation

Oh, so close! "*Carpe diem*" is actually how you say **seize the day** in Latin. But French is a romance language coming from Latin, so he's somewhat on the right track.

"*Profitez de la vie*" would actually be the closest translation of "seize the day" in French.

The phrase "*seize the day*" means to make the most of the day, but in this case he is probably referring to seizing Daylyt. In other words, to attack and take control of Daylyt.
