Praying Clear Through Will J. Harney, 2019-12-10 God needs giants today and we receive giant strength by waiting on Him Will J Harney Most believers do not rise to their full privilege in prayer Successful prayer cannot be rushed If we want to hear from heaven we must allow time for God's voice to fully break through the din of life When we have a tremendous amount of work to be done for the day

we dare not leave out prayer As Martin Luther observed I have so much to do that I shall spend the first three hours in prayer The real danger in not taking sufficient time to commune with God and implore Him for our requests is the slow erosion of the Spirit's voice when life's static distracts a believer from what is truly important and necessary for a successful life In this classic work on effective prayer Will J Harney reminds us that there are vast rewards in store for those who make prayer a priority Prayer does not need to be a chore for the growing Christian for it is one of the highest privileges accorded us But to receive our divine answer we must pray clear through that is pray continually and with urgency until at last we hear from heaven And this is the confidence that we have in him that if we ask any thing according to his will he heareth us and if we know that he hear us whatsoever we ask we know that we have the petitions that we desired of him 1 John 5 14 15
