Review Questions for Human Anatomy P.W. Tank, 1996-10-15 This is a review text of 1 000 questions and answers for medical students studying for Parts 1 and 2 of the National Board Examinations The questions are presented regionally by subject matter as in a standard course on gross anatomy selected to cover a broad spectrum of anatomical structure function and concepts and are in the two examination formats used in gross anatomy courses and for Licensure Examinations The book includes two separate fully cumulative practice tests in addition to the regional question and answer sections

Final Exam Pauline W. Chen, 2008-01-08 A brilliant transplant surgeon brings compassion and narrative drama to the fearful reality that every doctor must face the inevitability of mortality Uncommonly moving A revealing and heartfelt book Atul Gawande 1 New York bestselling author of Being Mortal When Pauline Chen began medical school she dreamed of saving lives What she could not predict was how much death would be a part of her work Almost immediately she found herself wrestling with medicine's most profound paradox that a profession premised on caring for the ill also systematically depersonalizes dying Final Exam follows Chen over the course of her education and practice as she struggles to reconcile the lessons of her training with her innate sense of empathy and humanity A superb addition to the best medical literature of our time
