The Twilight Warriors Robert Gandt, 2011-11-08 Winner of the 2011 Samuel Eliot Morison Award for Naval Literature The Twilight Warriors is the engrossing page turning saga of a tightly knit band of naval aviators who are thrust into the final and most brutal battle of the Pacific war during World War II Okinawa April 1945 The end of World War II finally appears to be nearing The Third

Reich is collapsing in Europe and the Americans are overpowering the once mighty Japanese Empire in the Pacific For a group of young pilots trained in the twilight of the war their greatest worry is that it will end before they have a chance to face the enemy They call themselves Tail End Charlies They fly at the tail end of formations stand at the tail end of chow lines and now they are catching the tail end of the war What they don't know is that they will be key players in the bloodiest and most difficult of naval battles not only of World War II but in all of American history The Twilight Warriors relives the drama of the world's last great naval campaign From the cockpit of a Corsair fighter we gaze down at the Japanese task force racing to destroy the American amphibious force at Okinawa Through the eyes of the men on the destroyers assigned to picket ship duty we experience the terror as wave after wave of kamikazes crash into their ships Standing on the deck of the legendary superbattleship Yamato we watch Japan's last hope for victory die in a tableau of gunfire and explosions The fate of the Americans at Okinawa including a twenty two year old former art student an intrepid fighter pilot whose life abruptly changes when his Corsair goes down off the enemy shore and a young Texan lieutenant who volunteers for the most dangerous flying job in the fleet intercepting kamikazes at night over the blackened Pacific is intertwined with the lives of the young gods the honor bound kamikaze forces who swarm like killer bees toward the U S ships The ferocity of the Okinawa fighting stuns the world Before it ends the long battle will cost more American lives ships and aircraft than any naval engagement in U S history More than simply the account of a historic battle The Twilight Warriors brings to life the human side of an epic conflict It is the story of young Americans at war in the air and on the sea and of their enigmatic fanatically courageous enemy

AAHS Journal ,1999 **The Marine Corps Gazette** ,1976 Florida Warbird Survivors 2002

Harold A. Skaarup,2001-10-28 The purpose of this handbook is to provide aviation enthusiasts with a simple checklist on where to find the surviving retired military aircraft that are preserved in the state of Florida The museum staffs and volunteer organizations in Florida have done a particularly good job of preserving the great variety of American combat veteran aircraft illustrated here Hopefully as more aircraft are recovered from their crash sites in the bush and restored traded or brought back from private owners that they too will be added to the record The book lists the aircraft alphabetically by manufacturer number and type This list is also appended with a brief summary of the aircraft presently on display within the state and a bit of its history in the US military

Air Combat Robert F. Dorr,2007-11-06 In *Air Combat* veteran and military author Robert F Dorr has collected dozens of interviews from combat veterans who have experienced what it's like to face the enemy in the skies above from the first days of World War II to the current war on terror Each story tells a first hand account of what it's like to be in the thick of the fight describes the history strengths and weaknesses of each man's plane in detail and offers readers a rare glimpse into the minds and hearts of those who dare to fight in the air From the savage dogfights of World War II to the high tech missile duels of today those who wage war in the skies and the machines they fly are a breed apart Pushing themselves to the cutting edge of speed and skill their battleground is among

the clouds where every fight you survive is a victory These are their stories in their own words **California Warbird Survivors 2002** Harold A.
