Guerilla Guide To The Music Business 2nd Edition:

Guerilla Guide to the Music Business: 2nd Edition Sarah Davis,Dave Laing,2006-09-15 Containing interviews with industry experts in the US and the UK this guide gives tips on almost every aspect of gigging It takes you through the process of recording from home made demos to releasing your own finished product and radio promotion It also explains what managers publishers PR people accountants and lawyers can do for you **Guerilla Guide to Performance Art**

Leslie Hill,Helen Paris,2004-05-27 The Guerilla Performance and Multimedia Handbook is the ultimate guide for artists at all stages of their careers engaged in creating original performance and multimedia work including hybrids of theatre visual art installation physical theatre dance CD Rom and web design It covers all aspects of artist support including starting up a company funding multimedia tools and documentation and marketing and incorporates a useful Yellow Pages section with contact information for production funding venues galleries publications festivals printers equipment hire technical support artists organizations performance archives copyright offices and software support The book is lavishly illustrated and interviews from major artists and directors of some of the leading artist support groups in the UK and US along with illuminating case studies address practical questions and offer indispensable insights into how to succeed in the performance arts

The Music Industry Handbook Paul Rutter,2016-06-17 The Music Industry Handbook Second edition is an expert resource and guide for all those seeking an authoritative and user friendly overview of the music industry today The new edition includes coverage of the latest developments in music streaming including new business models created by the streaming service sector There is also expanded exploration of the music industry in different regions of the UK and in other areas of Europe and coverage of new debates within the music industry including the impact of copyright extensions on the UK music industry and the business protocols involved when music is used in film and advertising The Music Industry Handbook Second edition also includes in depth explorations of different elements of the music industry including the live music sector the recording industry and the classical music business analysis of business practices across all areas of the industry including publishing synchronisation and trading in the music industry profiles presenting interviews with key figures workings in the music industry detailed further reading for each chapter and a glossary of essential music industry terms

Guerilla Guide to the Music Business Sarah Davis,Dave Laing,2001-08-02 A companion to the successful Guerilla Film Maker s Handbook this book deals with every aspect of professional music making in today s popular music industry on both sides of the Atlantic In creating music and developing a career almost everyone starts out independently that is without the support of a large company However independent music making can be defined in a broad sense as a particular attitude towards creating and distribution of music held by professional people The attitude involves a commitment to retaining control over your work as far as it is practically compatible with getting it to the largest possible relevant audience This does not necessarily mean that the independent musician does everything him or herself One of the most

important dimensions of the book will be the checklists of questions musicians need to ask themselves in order to decide whether they need outside help from a manager lawyer accountant record company music publisher agent press officer plugger etc The book is divided into six sections each of which includes brief interviews with key experts The first two deal with the main areas of musical activity live performance and recording Section three explains other aspects of musical activity while section four gets down to the nitty gritty of the business aspects of making music Section five summarizes the whole area through some well chosen real life examples of independent musical activity Finally a toolkit section will provide examples of key documents recording contracts PRS membership agreements etc and other relevant data **Book Review**

Index ,2003 Every 3rd issue is a quarterly cumulation **Choice** ,2006-03 Guerilla Performance and Multimedia Leslie Hill,Helen Paris,2001 The Guerilla Performance and Multimedia Handbook is the ultimate guide for artists at all stages of their careers engaged in creating original performance and multimedia work including hybrids of theater visual art installation physical theater dance CD ROM and web design It covers all aspects of artist support including starting up a company funding multimedia tools and documentation and marketing and incorporates a useful Yellow Pages section with contact information for production funding venues galleries publications festivals printers equipment hire technical support artists organizations performance archives copyright offices and software support The book is lavishly illustrated and interviews from major artists and directors of some of the leading artist support groups in the UK and US along with illuminating case studies address practical questions and offer indispensable insights into how to succeed in the performance arts **Forthcoming Books** Rose Army,2001-06 Subject Guide to Books in Print ,1991 The Self-Promoting Musician Peter Spellman,2008-12-01 Berklee Guide This updated second edition will teach you how to take charge of your musical career with crucial do it yourself strategies Filled with empowering resources and tips for self managed musicians including How to write a business plan create press kits sharpen your business chops Using the Internet to promote your music How to customize your demos for maximum exposure Secrets to getting your music played on the radio 12 things you can do to get the most out of every gig The most comprehensive musician s resource list on the planet updated continually online *The Self-promoting Musician* ,2000-01-01 Take charge of your career with these do it yourself strategies for independent music success Peter Spellman the Director of the Career Development Center at Berklee gives tips on how to write a business plan create press kits use the Internet to boost your career customize your demos for maximum exposure get better gigs and airplay network successfully and create the industry buzz you need to succeed A must read for every aspiring musician
