Guest Pass Access To Your Teens World:

Guest Pass: Access To Your Teen's World Yumi Bryana Cha, 2011 *Guest Pass Access To Your Teen's World* gives you a back stage entry to tour your teen's world. It is co-written by a mother psychologist and daughter high school junior who discuss topics relevant to today's teenage culture from multiple perspectives. This book explores parent-teen issues related to the use of social network media, body art, emotional distress, substance use, and more. Although the specifics of parents' adolescents and their relationships are unique, there are common challenges that arise during this developmental stage. *Guest Pass Access to Your Teen's World* provides theoretical analysis and clinical research to facilitate your understanding of your teenagers. Each chapter also includes exercises for self-assessment, questions to explore with your adolescents, and practical suggestions on how to apply what you have learned. By increasing your knowledge, you will be better equipped to build healthier relationships with your teens.

Parenting teens is one of the most challenging seasons of parenting isn't it? While this can be a difficult time of transition for parents and teens, there is hope. You can parent well and build a stronger relationship even through the teen years. After 30 years of parenting five children and 20 years of working with teens, Connie Albers has witnessed the negative impact of well-intentioned but misguided parenting styles all focused on managing teens rather than guiding them. But through learning to focus on the hearts of your teens, you can avoid those pitfalls and build relationships that last beyond the transition years as you intentionally learn about, connect with, and listen to your teens. In a world filled with distractions and devices, it is possible to guide their hearts and remain the primary influence in their lives. In *Parenting beyond the Rules*, you will discover how to raise a teen according to his or her strengths, talents, and personality type as these things equip teens to manage life. Join Connie Albers in discovering practical solutions for every parent trying to raise a responsible, godly teenager.

Warrior Rising MaryAnne Howland, 2022-01-25 An eye-opening look at one mother's determination to provide positive male role models for her son and the power of great mentoring to change lives. When MaryAnne Howland's son was turning thirteen, she organized a Black Mitzvah rite of passage celebration for him. Max is one of the one in three children in America being raised without a father in the home. To help fill the father-shaped hole in Max's life as he transitioned from boyhood to manhood, MaryAnne invited four men from different corners of her life: an engineer, a philanthropist, a publisher, and a financial planner to become Max's mentors. Max has faced many challenges. As a boy without a consistent father figure in his life as an African American male in a time when race relations in this country continue to be fraught, and also because Max

was born premature and as a result has cerebral palsy he has had to be a true warrior On the brink of manhood his mother wanted to give him the benefit of men who could answer some of the questions she felt that she as a woman might not be able to answer Through his adolescence Max's mentors have shared valuable insights with him about what it means to be a good man in the face of life's challenges These lessons recounted in this book will serve as a powerful roadmap for anyone wishing to support boys as they approach manhood
