Adobe Fireworks CS5 Classroom in a Book Adobe Creative Team, 2010-06-23 This is the eBook version of the printed book. Those creative professionals seeking the fastest, easiest, most comprehensive way to learn Adobe Fireworks CS5 choose Adobe Fireworks CS5 Classroom in a Book from the Adobe Creative Team at Adobe Press. The 13 project-based lessons in this book show readers step by step the key techniques for working in Fireworks CS5. Readers will learn what they need to know to collaborate with other Adobe Creative Suite applications to design and mock up basic Web pages or interfaces for rich Internet applications. In addition, readers will learn how to demo a design live for a client, export the design as an interactive PDF, and export complete Web page designs as Web standards-compliant CSS-based layouts or as PDF. This revised CS5 edition covers enhanced pixel precision, new workflows between Fireworks and Flash Catalyst, working with the new Document template feature, importing, sharing, and creating Adobe Swatch Exchange files, and more. The companion DVD includes lesson files so readers can work along with the book. The Classroom in a Book series is by far the best training material on the market. Everything you need to master the software is included: clear explanations of each lesson, step-by-step instructions, and the project files for the students. Barbara Binder, Adobe Certified Instructor, Rocky Mountain Training Classroom in a Book, the best-selling series of hands-on software training workbooks, helps you learn the features of Adobe software quickly and easily. Classroom in a Book offers what no other book or training program does: an official training series from Adobe Systems Incorporated, developed with the support of Adobe product experts. All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips: If you are able to search the book, search for "Where are the lesson files?" Go to the very last page of the book and scroll backwards. You will need a web-enabled device or computer in order to access the media files that accompany this eBook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear.
