Mouse vs. Cat in Chinese Literature, 2019-03-18 In literatures worldwide animal fables have been analyzed for their revealingly anthropomorphic views but until now little attention has been given to the animal tales of China The complex competitive relationship between rodents vilified as thieves of grain and the felines with whom they are perennially at war is explored in this presentation of Chinese tales about cats and mice Master translator Wilt Idema situates them in an overview of animal tales in world literature in the Chinese literary tradition as a whole and within Chinese imaginative depictions of animals The tales demonstrate the animals symbolism and their unusually prominent and verbal role in the stories These readings depict cats and mice in conflict in marital bonds and in litigation most centrally in a legal case of a mouse against a cat in the underworld court of King Yama Many of the stories adopt the perspective of the mice as animals merely trying to survive while also recognizing that cats are natural hunters This entertaining volume will appeal to readers interested in Chinese literature and society comparative literature and posthumanist consideration of human animal relations

ahead So Mia s story was heard all over the meadow and it reminded everyone who heard it that ideas could change people s lives and shape their futures Dreams kept growing in the meadow s everlasting embrace and Mia s soul kept dancing encouraging dreamers to believe in themselves and accept the magic that was already inside them This is how the story starts Once upon a time Mia a small mouse lived in a nice little field Mia was not like most mice Her dream was as big as her heart and as fine as the hairs on her face She wanted to be a ballerina which is the most beautiful and elegant type of dancer in the world Mia was interested from the moment her little feet touched the smooth wooden floor of the attic where she secretly watched Emily a human girl do ballet moves As the song floated through the air Emily s beautiful dance moves took Mia to a world of beauty and magic Mia would sit still with her eyes wide open as Emily jumped and spun around the room It looked like magic had gone through her body making her look like she had no weight and was made of air Mia couldn t help but picture herself dancing smoothly and gracefully on that stage People with Mia in the field thought she was crazy Mice don t dance Mia said Sammy the squirrel shaking his head Like the rest of us you should just stick to nibbling on nuts Mia couldn t lie to herself about how hot she felt Her burning desire to become a dancer would not go away So she worked on her steps and pirouettes every chance she got Mia would stand on her tiptoes with her little feet pointed and gracefully poised She did this with determination and hard work She found out that dancing came naturally to her She moved easily and gracefully as if she had always wanted to dance But it wasn t easy for her to follow her dream Mia ran into many problems along the way Her place of inspiration the attic became harder and harder to get to as people closed it off Mia had to come up with new ways to watch and learn Every night Mia a curious little mouse went on a secret trip that filled her heart with wonder She would sneak into the attic of a nearby house when everyone else was sleeping drawn in by the beautiful music and ghostly movements coming from inside In the stillness and quiet of the attic Mia would see something very magical Emily a human girl practicing her dance steps When Mia saw Emily jump and spin across the room her little eyes would get very big It was like a dream had come true right in front of Mia s eyes Mia s mind was blown by Emily s dance which had soft flowing moves and a mysterious beauty From the first time she saw dance Mia was amazed by how beautiful and interesting it was She wanted to be a part of that world to feel the thrill of dancing and to be able to show herself through movement Mia had found the person she was meant to be with and nothing could stop the fire that burned inside her Every night Mia went back upstairs where she hid in the dark and watched Emily s every move Emily s body seemed to float through the air and she noticed how gracefully she moved her arms and how determined she looked Mia practiced every step jump and turn until she knew them all by heart As Mia watched she tried to copy the moves in her own small way She would sway to a tune in her head testing her balance and rhythm She worked harder and harder to become a ballet dancer so she could share Emily s joy of dancing Mia s friends in the field couldn t understand why she was so set on becoming a dancer They couldn t imagine a mouse floating smoothly across the floor because they already had ideas about what was possible Sammy the squirrel who

was known for being very real couldn't believe what he was seeing. Mice don't dance. Mia he would say shaking his head to put an end to her dreams. You should stick to eating nuts like the rest of us. It's the most logical thing to do. But Mia didn't let their suspicion get her down. She learned that other people's expectations didn't have to stop her from following her dreams. She knew in her heart that she was good at dancing and loved it so much that she couldn't stop. Instead of giving in to doubt, Mia put her energy into hours of devoted practice. She would find a place in the meadow where she was alone where she could walk easily and try out her elegant moves. With each day that went by her steps got better and her pirouettes got easier to control. Mia has a clear talent for dancing. Her small body moved gracefully and elegantly capturing the spirit of the art form. Her sharp agile paws disproved what her friends thought about her and showed them what she was really capable of. The animals in the field couldn't help but watch as Mia kept getting better at her trade. They watched in amazement as she walked on her toes with ease. Her actions showed a passion that seemed beyond their understanding. Over time their mistrust turned into respect. Lila, a smart ladybug with a big love for the arts, was the first to notice Mia's talent. One day she came up to Mia as she was working out in the field. Her wings were shining in the sun. I've seen how hard you work and how good you are at dancing, Mia. She said softly. Have you ever thought about sharing your talent with more people? Mia's eyes got bigger and she looked surprised and excited at the same time. She was excited about the idea of showing off her skills outside of the field. She saw herself on a big stage mesmerizing people with her unique talent. Lila helped Mia take the first steps toward her goals by encouraging her. Lila took her to a nearby community theater known for helping people who want to be artists. They saw how talented Mia was and asked her to be in their next show. As Mia took her first steps onto the stage, her heart was racing with joy. Everyone in the room was watching the tiny mouse that dared to do something different. As soon as the music started, Mia's movements opened up like a delicate flower. Each step told a story of hard work and desire. Mia's friends from the meadow watched her dance and their hearts were full of amazement, joy, and a new understanding. They saw that Mia's path wasn't about showing them wrong. Instead, it was about her realizing her own potential and going beyond what society expected of her. When Mia took her last bow, the crowd went crazy with excitement. The animals in the field jumped up and cheered, which could be heard all around. Mia was filled with love for her friends who had been there for her even when they didn't understand her dreams. From that point on, Mia's ability gave her a reason to keep going. Her shows kept bringing in big groups and everyone who saw her graceful moves was amazed and happy. She danced not only for herself but also for those who dared to dream beyond the bounds set by others. Mia's story became a way to show how important it is to let go of old ideas and follow your passion no matter how strange it may seem. Her path encouraged others to be proud of their unique skills and work hard to reach their goals. Mia's amazing skill quickly got around and famous dancers and directors heard about it. They couldn't believe a mouse could dance with such ease and beauty and they wished they could see it for themselves. Invitations came in from well-known dance groups and places all over the world. People came in droves to see Mia.
