Developing Advanced English Language Competence Armin Berger, Helen Heaney, Pia Resnik, Angelika Rieder-Bünemann, Galina Savukova, 2022-02-03 This volume presents a systematic approach to developing advanced English language competence at tertiary level It includes the reflections of experienced language teachers and teacher researchers in the English Language Competence programme at the University of Vienna and provides examples of good practice amalgamating teaching expertise and research with aspects of curriculum design and programme management The book addresses a growing academic and professional interest in understanding advanced language learning and use To date

research has tended to investigate advanced proficiency from a specific theoretical viewpoint for example cognition psycholinguistic processing strategies or the assumption of a critical period or the age factor In contrast this work examines advanced proficiency from a curricular and instructional perspective by providing a profile of advanced level language development in a specific institutional context It brings together three areas of language education curriculum design pedagogical practice and research Within this triangle advanced English language education is the focus or conversely advanced English language education provides the lens through which links between curriculum design teaching and research can be established

Teaching Writing to English Language Learners in the Elementary Classroom

Subrata Bhowmik, Marcia Kim, 2025-10-29 This book focuses on research informed approaches and techniques for teaching writing to elementary English Language Learners ELLs The book highlights strategies for enriching writing literacy education for elementary ELLs With contributions from prominent scholars in the field of elementary ELL writing from around the world the chapters in this book focus on a wide range of topics including curriculum design metalanguage and translanguaging integrating playfulness into a genre based approach to writing instruction metacognitive instruction teaching the genre of school identity texts multimodal writing using mentor texts teaching science writing and interrogating raciolinguistic ideologies in assessment practices Together they highlight both the challenges and possibilities of writing instruction for elementary ELLs in diverse educational contexts This is a foundational text for students in TESOL programs focusing on writing instruction for ELLs as well as for pre and in service teachers who want to upgrade their teaching abilities and knowledge bases

Primary English Curriculum Guide Christine Moorcroft, Ray Barker, 2013-11-26 First Published in 2001 The purpose of this curriculum guide is to help student teachers and newly qualified teachers to make a start on learning how to become competent teachers of English Despite the emphasis given in training courses to the teaching of English newly qualified teachers often feel underprepared for it and frequently mention their concerns about this These concerns can be partly explained by a general lack of confidence in this key area and partly by widespread media and political criticism of the teaching of literacy It is also because it is often difficult for a student to make the connection between observation of key teaching strategies and his or her own personal practice

Reader's Guide to Literature in English Mark Hawkins-Dady, 2012-12-06 Reader's Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study
