Work and Wealth in Scripture Lawrence A. Clayton, 2015-02-06 What do you do with your money What do you think of your boss Do you like your work Is it satisfying Are you satisfied with your answers Do you know that God through Scripture offers us answers Two of the most fundamental challenges for all humankind are deciding how to live and if we accumulate riches deciding how to use them Did you know that God expects all humankind to work For the Christian all work is part of your Christian calling whether you collect garbage for a living or sit in Washington deciding affairs of state And what does Scripture have to say about riches Did you know that Jesus directed more attention to the question of how to deal with wealth than just about any other subject he addressed during his three year ministry Join me in this short journey as we explore work and wealth in Scripture and seek answers to the above questions and others We travel from the first work recorded in the Bible to our own time when leisure competes with work for our attention and wealth gives us a false sense of security that puts us in danger of replacing God with self

The Gospel & Work Russell D. Moore, Andrew T.

Walker, 2017-04-01 You are not what you do So often in America we define who we are by what we do We introduce ourselves by our job titles We ask What do you do to be polite in small talk We define others by their occupation But there are good reasons to connect what you do with your time whether that is 9 to 5 work or managing a household full of children God created us to work not as judgment but in cooperation with a mandate given to humanity long before the fall Your work isn't who you are but it is central to why you are here When we get that confused our work can be the most frustrating aspect of our lives So what now Editors Russell Moore and Andrew T Walker of the Ethics and Religious Liberty Commission ERLC assemble leading voices to frame the issue with a gospel centered perspective The Gospel for Life series gives every believer a biblically saturated understanding of the most urgent issues facing our culture today because the gospel is for all of life

The Kingdom of God in Working Clothes R. Paul Stevens, 2022-08-05 Work occupies most of our waking time whether it is in a factory office school or at home But unfortunately most people of faith separate their working life from their worshipping life Dualism is a pernicious heresy that has infected believers worldwide namely that church work and missionary service are holy and our everyday work is secular In this timely volume Stevens explores the connection of the kingdom of God the master thought of Jesus with the marketplace Traditionally people have either related the kingdom of God God s new world coming either exclusively for the present or only for the distant future But it is both now and coming This gives meaning hope and endurance to our work in the world So daily labor in the marketplace gets reoriented through salty values and ingrained virtues We become double agent spies exploring the new world coming in everyday life We can also grapple helpfully with the resistance we face daily in the workplace There are many books on the kingdom of God and many on work Few have brought these two vital arenas of everyday service together It is indeed part of the good news

Eighth-Day Discipleship Richard H. Bliese, 2022-04-19 Richard H Bliese draws on historic architecture of eight sided churches to call attention to an important but often overlooked emphasis on the eighth day of creation Early Christians were focused on God s new creation that began in Christ s resurrection on Sunday the first day of the week But these Christians understood resurrection as the continuation of God s creative and redemptive activity So the first day of the week became the eighth day of creation and therefore the day of resurrection work and time to join with Christ in transforming the world Christian disciples do this work by living out their baptismal vocations especially in their daily work and through their ethical economic choices The author turns to Martin Luther and the Reformation to outline an evangelical spirituality that invested in people and their vocations as worker priests Daily life work and family were underscored as the place where discipleship came alive Bliese describes this as an architectural design for faithful living He further draws on parts of Luther s Small Catechism Ten Commandments Apostles Creed and Lord s Prayer as keys to this evangelical design Five additional architectural designs for eighth day disciples are included The final chapter describes how eighth day disciples are called to live by faith in freedom and responsibility Making disciples today needs to revolve around a gospel story that links one s personal faith with one s work and economic life Such faith gives us ears to hear God s unfolding drama and eyes to see the needs of the neighbor The book

includes a study guide for personal reflection and group conversation Reformation Then and Now Christoph Ernst, Leslie Nathaniel, Richard Chartres, Friederike Nüssel, 2016-10-01 This volume documents the ninth theological conference of the Church of England and the Evangelical Church in Germany held in London in January 2016 as part of their Meissen process. The two churches are committed to engage within the Meissen process in joint theological work which on this occasion focused on similarities and differences of their respective reformatory origins. The twelve conference papers also paradigmatically discuss the consequential impact that reformation movements have for the churches for ecumenism and the churches socio political responsibilities today. Reformatory origins and evolving tasks merge in light of the upcoming Reformation anniversary of 2017. Mit Beiträgen von Nicholas Baines, Richard Chartres, Carolyn Hammond, Margot K. Mann, Torrance Kirby, Jörg Lauster, Friederike Nüssel, Stephen Plant, Sigurd Rink, Gury Schneider, Ludorff, Elaine Storkey und Michael Weinrich. Reformation damals und heute. Dieser Band dokumentiert die neunte Theologische Konferenz im Rahmen des Meissen Prozesses der Kirche von England und der Evangelischen Kirche in Deutschland, die im Januar 2016 in London stattfand. Die theologische Arbeit, zu der sich beide Kirchen verpflichtet haben, konzentrierte sich bei dieser Konferenz zum einen auf die gemeinsamen und verschiedenen reformatorischen Wurzeln beider Kirchen. Zum anderen werden in den zwölf Konferenzbeiträgen vor dem Hintergrund des bevorstehenden Reformationsjubiläums im Jahr 2017 exemplarisch auch einige aus den jeweiligen Reformationen ableitbare Konsequenzen für die Kirchen, die ökumene und die heutige gesellschaftspolitische Verantwortung der Kirchen erörtert.

A Christian Guide to Spirituality Stephen W. Hiemstra, 2017-12-16 Spirituality is lived belief. When we pray, worship, or reach out to our neighbors, we live out our beliefs. Our beliefs structure our spirituality like skin stretched over the bones of our bodies. These beliefs start with faith in God the Father through Jesus Christ as revealed through the Holy Spirit in scripture, in the church, and in daily life. Our Trinitarian theology orders our beliefs. Without a coherent theology, we lose our identity in space and time, having no map or compass to guide us on our way. In the end, we focus on ourselves, not God. Christian spirituality starts with God, not with us. A Christian Guide to Spirituality takes the form of 50 daily devotions. Each topic is treated with a scriptural reference, reflection, prayer, and questions for discussion. Occasionally, references are provided for further study. The first four chapters: Introduction, Apostles' Creed, Lord's Prayer, and Ten Commandments, cover 40 days, making them suitable as a Lenten study. Ten additional days focus on the spiritual disciplines, and a short conclusion. Reading A Christian Guide to Spirituality will help readers understand Christian spirituality better and nurture their faith. There is no such thing as quality time with the Lord; there is only time. The living God speaks to us in many ways, but especially through scripture. These three sources cited: Apostles' Creed, Lord's Prayer, and Ten Commandments are commonly called the rule of faith, *regula fidei*, and were utilized for nearly two millennia as a means to apprentice the faith. These sources are the heart of the confessions of most Christian faith communities and denominations. Hear the words, walk the steps, experience the joy. Author: Stephen W. Hiemstra, M.Div., Ph.D.
