George, 2020-04-05 What could Greek poets or Roman historians say in their own language that would be lost in translation After all different languages have different personalities and this is especially clear with languages of the ancient and medieval world This volume celebrates six such languages Ancient Greek Latin Old English Sanskrit Old Irish and Biblical Hebrew by first introducing readers to their most distinctive features then showing how these

linguistic traits play out in short excerpts from actual ancient texts It explores for instance how Homer's Greek shows signs of oral composition how Horace achieves striking poetic effects through interlaced word order in his Latin and how the poet of Beowulf attains remarkable intensity of expression through the resources of Old English But these are languages that have shared connections as well Readers will see how the Sanskrit of the Rig Veda uses words that come from roots found also in English how turns of phrase characteristic of the Hebrew Bible found their way into English and that even as unusual a language as Old Irish still builds on common Indo European linguistic patterns Very few people have the opportunity to learn these languages and they can often seem mysterious and inaccessible drawing on a lucid and engaging writing style and with the aid of clear English translations throughout this book aims to give all readers whether scholars students or interested novices an aesthetic appreciation of just how rich and varied they are

Why We Elect Narcissists and Sociopaths—And How We Can Stop!

Bill Eddy, 2019-05-21 The bestselling author and therapist describes how electing high conflict personalities from Hitler and Mao to Putin and Trump threatens democracy Democracy is under siege The reason isn't politics but personalities too many countries have come under the sway of high conflict people HCPs who have become politicians Most of these high conflict politicians have traits of narcissistic personality disorder antisocial i.e. sociopathic personality disorder or both This is the first and only guide for identifying and thwarting them HCPs don't avoid conflict they thrive on it widening social divisions and exacerbating international tensions Eddy the world's leading authority on high conflict personalities explains why they're so seductive and describes the telltale traits that define HCPs he even includes a helpful list of forty typical HCP behaviors Drawing on historical examples from Hitler Stalin Mao and Nixon to Trump Maduro and Putin Eddy shows how HCPs invent enemies and manufacture phony crises so they can portray themselves as the sole heroic figure who can deal with them despite their inability to actually solve problems He describes the best ways to expose HCPs as the charlatans they are reply to their empty and misleading promises and find genuine leaders to support Eddy brings his deep psychotherapeutic experience to bear on a previously unidentified phenomena that presents a real threat to the world Eddy details a prescriptive strategic action formula for preventing the predictable destructive outcomes of authoritarian leaders
