

What Is Each Gear Used For?

1st GEAR

For driving away from a complete stop

For parking the car on a hill with the parking brake

3rd GEAR

For shifting up at 20 mph

5th GEAR

For shifting up at 40 mph depending on how many gears your car has

NEUTRAL

For parking the car on a flat space with the parking brake

For idling or stopping while the clutch is not depressed

2nd GEAR

For shifting up at 10 mph

Commonly used for driving away from a full stop

4th GEAR

For shifting up at 30 mph

REVERSE

For moving the car backwards

Knowing when to shift depends on the car and the gearing system you have. Always read your owner's manual if you are unfamiliar with how your manual transmission works.

The TWI Facilitator's Guide Donald A. Dinero, 2016-09-19 There are many books available covering the Training Within Industry TWI programs but few include any unique material on adaptation or modification This dearth of new has caused practitioners to alter the programs without understanding the underlying principles These changes have made the programs less effective One must however maintain the principles used in the programs when changing the delivery of the programs to suit the culture The purpose of The TWI Facilitator's Guide How to Use the TWI Programs Successfully is to prevent the TWI programs from falling into misuse and disuse This book will explain the main principles of the TWI programs and what they can accomplish but it will also stress what they are not This book reviews what the programs are and then explains how to use them It tells why we do certain aspects of each program When we know why we do something we won't stop doing it for the wrong reason

How to Drive a Stick Shift Dennis Chernyukhin, A complete step by step guide that will teach you everything you need to know In 2018 I created a company called Shift Bay Area My goal was to provide a fun and educational experience for people wanting to learn how to properly drive a manual transmission car and since then we've successfully instructed thousands of students and have grown to become Northern California's preferred stick shift driving school Based on customer demand we decided to take our most popular behind the wheel stick shift driving lesson and expanded it into an eBook with over 150 illustrations to aid the written content This eBook will cover high level conceptual topics 1st gear and clutch control reverse gear how to upshift to 2nd gear proper upshifting and downshifting techniques in the higher gears and we'll finish with hill control where we'll learn about parking on hills and how to start from inclines At the end of this eBook you'll have a complete overview of what's necessary to safely and properly operate a manual transmission car and we'll build your confidence so that you can use the skills you learn in the real world Happy Driving Dennis Chernyukhin Author
