How Long Is Book Of Mormon:

Understanding the Book of Mormon Grant Hardy, 2010-04-07 Mark Twain once derided the Book of Mormon as chloroform in print Long and complicated written in the language of the King James version of the Bible it boggles the minds of many Yet it is unquestionably one of the most influential books ever written With over 140 million copies in print it is a central text of one of the largest and fastest growing faiths in the world And Grant Hardy shows it s far from the coma inducing doorstep caricatured by Twain In *Understanding the Book of Mormon* Hardy offers the first comprehensive analysis of the work s narrative structure in its 180 year history Unlike virtually all other recent world scriptures the Book of Mormon presents itself as an integrated narrative rather than a series of doctrinal expositions moral injunctions or devotional hymns Hardy takes readers through its characters events and ideas as he explores the story and its messages He identifies the book s literary techniques such as characterization embedded documents allusions and parallel narratives Whether Joseph Smith is regarded as author or translator it s noteworthy that he never speaks in his own voice rather he mediates nearly everything through the narrators Nephi Mormon and Moroni Hardy shows how each has a distinctive voice and all are woven into an integral whole As with any scripture the contending views of the Book of Mormon can seem irreconcilable For believers it is an actual historical document transmitted from ancient America For nonbelievers it is the work of a nineteenth century farmer from upstate New York Hardy transcends this intractable conflict by offering a literary approach one appropriate to both history and fiction Regardless of whether readers are interested in American history literature comparative religion or even salvation he writes the book can best be read if we examine the text on its own terms **Book of Mormon Critical Text, 3rd ed., vol 1: I Nephi - Words of Mormon** Robert F. Smith, 2024-12-31 Volume 1 of 4 volume study of the variant readings of the manuscripts and editions of the Book of Mormon with inter and intratextual parallels in a critical apparatus in footnotes and a full chronological matrix in footers The result of over 50 years of work on the Book of Mormon Critical Text Project *1805-1835, 8th ed* ,1908 *A Myriad of Questions Answered* Bob Smith, 2022-06-30 Contains hundreds of learned and pithy answers to questions submitted to Quora by the general public on the following subjects Anthropology Egyptology Bible Judaism Mormonism general religion higher education politics etc **Visions in a Seer Stone** William L. Davis, 2020-04-08 In this interdisciplinary work William L Davis examines Joseph Smith s 1829 creation of the Book of Mormon the foundational text of the Latter Day Saint movement Positioning the text in the history of early American oratorical techniques sermon culture educational practices and the passion for self improvement Davis elucidates both the fascinating cultural context for the creation of the Book of Mormon and the central role of oral culture in early nineteenth century America Drawing on performance studies religious studies literary culture and the history of early American education Davis analyzes Smith s process of oral composition How did he produce a history spanning a period of 1 000 years filled with hundreds of distinct characters and episodes all cohesively tied together in an overarching narrative

Eyewitnesses claimed that Smith never looked at notes manuscripts or books he simply spoke the words of this American religious epic into existence Judging the truth of this process is not Davis s interest Rather he reveals a kaleidoscope of practices and styles that converged around Smith s creation with an emphasis on the evangelical preaching styles popularized by the renowned George Whitefield and John Wesley

The Book of Mormon and its relationship with the Bible David J. Richards,2017-11-17 The Book of Mormon is an influential and controversial book It launched a religious movement has been believed by millions to be scripture and has been derided by others as fraudulent Despite this or perhaps as a result the book s contents have been subject to both academic neglect and popular myth This book challenges some of that neglect by examining the Book of Mormon through the lens of its relationship with the Bible a work which the Book of Mormon openly quotes and expects to be read alongside and the only text which everyone agrees is connected to the Book of Mormon Through close examination of the Book of Mormon text and biblical parallels including three substantial case studies this book examines the ways in which the Book of Mormon draws upon and interprets the biblical text This book demonstrates the complexity with which the Book of Mormon handles biblical material and the close correlation between its reading of the Bible and the Book of Mormon s own core themes
