of Jesus Christ the righteousness God gives to sinful humans through faith Scholar and author Andrew David Naselli traces Paul's argument for the gospel throughout this concise and accessible guide to the book of Romans Designed to be read alongside the epistle itself Naselli provides accessible standalone commentary unpacking the text verse by verse This ebook dives into the key themes of righteousness peace and God's promises accompanied by reflection questions on interpretation and application perfect for individual or group study For New Believers and Seasoned Saints Ideal for thoughtful laypeople pastors and teachers wanting to learn more about God's word Perfect for Group or Individual Study Includes interpretation and application questions at the end of the ebook Accessible Straightforward and clear writing Don't Waste Your Pain Myndi Orr, 2015-10-02 Pain and suffering are no strangers to humankind and their existence is well documented in the Bible God doesn't promise that you won't suffer but He does promise you won't suffer alone He will be with you In Don't Waste Your Pain author Myndi Orr describes her journey with chronic pain to show that God has a purpose in our lives through pain For more than six years Myndi Orr has battled trigeminal neuralgia which has left her with severe facial pain In this inspirational book she explains how her relationship with God has helped her see beyond the pain teaching her to focus on Him and show others Christ's love Through an array of Bible scriptures Don't Waste Your Pain shares the lessons Myndi has learned through her struggle with pain It communicates that life is not about us but rather about God and his plan and purpose for our lives *Prayer, Middle Knowledge, and Divine-Human Interaction* Kyle D. DiRoberts, 2018-07-27 Christians generally believe that in prayer they are free in their act to petition God Christians also believe that they pray to a God that is sovereign and omniscient Kyle DiRoberts maintains that explanation as to how one affirms these two truths is dependent upon one's account of divine providence which determines how motivated the person is to offer petitionary prayer in the divine human relationship The theories of providence and their understanding of petitionary prayer discussed in this book include compatibilism hard determinism open theism and middle knowledge Each of the theories of divine providence discussed in this book share a desire to construct a view concerning petitionary prayer that would propel the Christian toward God in relationship and then lead the body of Christ to pray without ceasing DiRoberts argues that middle knowledge is the preferred theory of providence as it relates to petitionary prayer because for middle knowledge God's sovereignty includes both his omniscience and libertarian human freedom Beautiful and Terrible Things Christian M. M. Brady, 2020-09-01 Bible scholar Christian Brady an expert on Old Testament lament was as prepared as a person could be for the death of a child which is to say not nearly well enough When his eight year old son died suddenly from a fast moving blood infection Brady heard the typical platitudes about accepting God's will and knew that quiet acceptance was not the only godly way to grieve With deep faith knowledge of Scripture and the wisdom that comes only from experience Brady guides readers grieving losses and setbacks of all kinds in voicing their lament to God reflecting on the nature of human existence and persevering in hope Brady finds that rather than an image of God managing every event and action in our lives

the biblical account describes the very real world in which we all live a world full of hardship and calamity that often comes unbidden and unmerited Yet it also is a world into which God lovingly intrudes to bring comfort peace and grace

Compassionate Presence Rolf R. Nolasco Jr.,Rob Vincent MacDonald,2016-10-19 Compassion plays a central role in the teachings of all world religions Christianity in particular demonstrates its vitality through compassionate engagement with those suffering with Christ serving as a paradigm and source of motive power These concrete acts of mercy and solidarity disclose God's intimate regard for the welfare of humanity The purpose of this book is to affirm compassion as the pulsating heartbeat of Christian theology and praxis through the hermeneutical perspectives of brain science psychology and practical theology More importantly it offers readers specific compassion cultivation practices that will nurture the trait of compassion as a way of incarnating God's compassionate presence and response to a world marked with suffering of all kinds

Understanding the Faith Jeff Myers,2016-06-01 Does the Bible have authority in a world committed to relative truth The understanding of absolute objective truth has been largely lost Spend just a few minutes discussing politics or religion and you'll hear responses like There is no truth or That may be true for you but not for me Understanding the Faith dares to wade into the middle of the controversy with chapters such as Is God Christian Isn't Claiming Truth Intolerant Is the Bible Anti Science Summit Ministries half century of teaching this first volume of the Understanding the Times Series is your definitive resource for deepening and defending your faith It's a required resource for every Christian's bookshelf

Divine Suffering Andrew J. Schmutzer,2023-02-22 Divine Suffering is an interdisciplinary study that draws from systematics philosophy biblical theology and pastoral experience In addition to covering topics like the suffering of the Father in the Son and God's cruciform vulnerability this book also explores how divine suffering animates the Christian gospel and resonates in the ongoing persecution of believers The study of the suffering God has everything to do with Theology History and Church Mission Like exploring a cathedral from all its entrances both scholars and seekers will find ample opportunity for theological challenge biblical insight and missional hope To accomplish this both Scripture and doctrine are closely investigated Today divine suffering must face the contemporary realities of protest atheism escalating wars new studies in relational theology and dialogical personhood that presses the need to explain a Christian message about the kind of God who is not only

transcendent but also personal Divine Suffering introduces us to the history of God not just the God of history In this study we meet a God available to our pain though not diminished by it Mounting forms of grief need to be met with an equally pastoral understanding that validates suffering without valorizing it **Hope for Creation** Jonathan J. Bonk, Michel G. Distefano, J. Nelson Jennings, Kim Jinbong, Jae Hoon Lee, 2024-04-02 Can the Desert Be Green Our world is in peril Environmental degradation human suffering and relentless calamities confront us daily painting a picture of a planet in distress Amid this daunting reality how can God's people respond effectively This critical question beckons for a thoughtful and proactive response that intertwines faith and ecology with tangible action in our increasingly fragile world Hope for Creation offers a unique blend of theological insight and practical application It gathers perspectives from theologians and practitioners each giving a comprehensive understanding of creation care The contributors not only diagnose environmental and humanitarian issues but also propose actionable solutions rooted in biblical foundations and contemporary experiences This book is a call to action for Christians and mission leaders worldwide urging active participation in restoring and preserving our planet It equips church leaders missionaries and believers with the knowledge and tools to make a meaningful impact By embracing this mission readers contribute to a sustainable hopeful future joining a transformative journey towards environmental and human healing **more REAL** Jon Brown, 2019-02-21 LESS Fake LESS Shame LESS Masks MORE Real Jesus promises life and life to the full So why do so many people walk away from faith and not just teenagers but people who have been in church for years The full life offered is one of genuine relationship with God and others but has our tendency to fight vulnerability mask weakness and hide disappointment cost us the real thing Have we tried to keep it together keep the faith until we simply can't do it anymore Following Jesus should not require fronts when we fully grasp the love of God towards us in all our mess and sin and doubt we experience the freedom that vulnerability honesty and sacrifice brings That's real life life to the full MORE Real explores how we can build lives on truth and cultivate a real faith that lasts through the storms of life **The Wonder of the Cross** Richard A. Shenk, 2013-05-08 When considering and confronting the problem of evil we may be asking the wrong question Why is there evil in the world if God is good and powerful It may be wrong because it smuggles in an unbiblical premise God can and should use his coercive power to relieve suffering since he is both good and able But what if coercive power does not work to accomplish God's goals This book is an investigation into the possibility that the noncoercive power of the Cross must be at the center of this issue and that the Cross could reform this question We could ask instead How is God destroying evil and suffering and why is he taking so long The answer to this reframed question might be He is using evil and suffering to destroy evil and suffering for His People this is how long it takes While not a solution to the problem of evil could this help us learn to delight in God in a world in which evil and suffering seem at times so relentless *Christian Theology* Christopher W. Morgan, Robert A. Peterson, 2020-05-01 In Christian Theology author Christopher W Morgan presents an accessible introduction to the core areas of systematic theology including God revelation

humanity sin Christ and his work the church and the future Each chapter highlights Scripture s teaching on a topic as it unfolds in the Bible s story line intentionally connecting readers to the doctrines with a focus on personal application and missional living Why I Am Not a Calvinist Jerry L. Walls, Joseph R. Dongell, 2013-06-06 Paying particular attention to the issue of God s sovereignty Jerry L Walls and Joseph R Dongell critique biblical and theological weaknesses of Calvinist thought **The Seed of Abraham** Michael M. C. Reardon, Pesach Wolicki, 2025-06-25 The inspiration for this volume emerged from years of friendship dialogue and collaboration between a Jewish rabbi and Christian professor Historically Jewish Christian relations has been a fraught sphere of inquiry Despite sharing a set of Scriptures the relationship between Christians and Jews has been marked by distrust misunderstandings and exaggerated theological differences which taken together appear to create an indissoluble wedge between the two faiths This volume brings the two faiths into fruitful and productive dialogue by unearthing recondite yet highly significant features shared between them Beyond being an academic exercise the aspiration undergirding this project is to bridge the gap between Jews and Christians and by doing so chart a path forward toward rapprochement reconciliation and Jewish Christian unity **The Great Commission Resurgence** Chuck Lawless, Adam W. Greenway, 2010 A collection of essays by Southern Baptist leaders on the biblical theological and practical matters relating to their convention s Great Commission Resurgence initiative Some Birds Sing in Winter Thomas Harley, 2013-08-26 It seems most peculiar yes rather strange That a bird on a bitter branch might remain And more joyfully in winter months long Sing an elaborate even a beautiful song But such a bird is this one who can write Who can attest that even though dark as night His maker has given him a songbook of praise To endure as a joyful sound all days that remain What you are holding is a songbook It is a different kind of songbook for it was birthed in the darkest of night and the coldest of winter And while it is readily in itself an instrument of praise it also provides a foundation for other song makers or shall we say those who receive songs from God Most High For who can sing unless God himself provides song This is a book for sufferers It is for those who are enduring affliction or those who just have air filling their lungs from time to time recognizing that all will invariably suffer This is a book for those with questions It is for those who wonder what God if there is one is doing as they sit on a branch that scrapes them endlessly with rough and bitter bark The branch is aflame crumbling underneath and ready to give way How can we find song in such a tormenting and uncertain darkness How can we be as the rare bird who actually finds reason for song in winter
