Madere,2018-12-04 Famous How Celebrity Lives Affect Our Own explores the effects celebrities have on their impressionable audience s lives from copycat suicides to postfeminist hypersexuality to taking questionable celebrity health advice and more Celebrity advocacy and philanthropy are analyzed as contributors discuss Brad Pitt s rebuilding effort after Hurricane Katrina Angelina Jolie s recent casting controversy and Colin Kaepernick s national anthem protest Star brand building through social media and how that

translates to the Broadway stage are also examined as well as how the privacy laws demanded by celebrities can infringe on their own audience's First Amendment rights **"Baad Bitches" and Sassy Supermamas** Stephane Dunn, 2010-10-01

Blaxploitation action narratives as well as politically radical films like *Sweet Sweetback's Baadasssss Song* typically portrayed black women as trifling bitches compared to the supermacho black male heroes. But starting in 1973 the emergence of baad bitches and sassy supermamas reversed the trend as self-assured, empowered and tough black women took the lead in the films *Cleopatra Jones*, *Coffy* and *Foxy Brown*. Stephane Dunn unpacks the intersecting racial, sexual and gender politics underlying the representations of racialized bodies, masculinities and femininities in early 1970s black action films with particular focus on the representation of black femininity. Recognizing a distinct moment in the history of African American representation in popular cinema, Dunn analyzes how it emerged from a radical political era influenced by the Black Power movement and feminism. Dunn also engages blaxploitation's legacy in contemporary hip hop culture as suggested by the music's disturbing gender politics and the baad bitch daughters of Foxy Brown and Cleopatra Jones: rappers Foxy Brown and Lil Kim.

Black Female Sexualities Trimiko Melancon, Joanne M. Braxton, 2015-01-26

Western culture has long regarded black female sexuality with a strange mix of fascination and condemnation, associating it with everything from desirability, hypersexuality and liberation to vulgarity, recklessness and disease. Yet even as their bodies and sexualities have been the subject of countless public discourses, black women's voices have been largely marginalized in these discussions. In this groundbreaking collection, feminist scholars from across the academy come together to correct this omission, illuminating black female sexual desires marked by agency and empowerment as well as pleasure and pain to reveal the ways black women regulate their sexual lives. The twelve original essays in *Black Female Sexualities* reveal the diverse ways black women perceive, experience and represent sexuality. The contributors highlight the range of tactics that black women use to express their sexual desires and identities. Yet they do not shy away from exploring the complex ways in which black women negotiate the more traumatic aspects of sexuality and grapple with the legacy of negative stereotypes. *Black Female*

Sexualities takes not only an interdisciplinary approach drawing from critical race theory sociology and performance studies but also an intergenerational one in conversation with the foremothers of black feminist studies In addition it explores a diverse archive of representations covering everything from blues to hip hop from Crash to Precious from Sister Souljah to Edwidge Danticat Revealing that black female sexuality is anything but a black and white issue this collection demonstrates how to appreciate a whole spectrum of subjectivities experiences and desires *How to Be a Bad Bitch* Luna k,2021-11-04 Women who know what they want get what they want It all starts with their mindset Journaling is a great tool to help you organize your thoughts and visions Our HOW TO BE A BAD BITCH Journal is intentionally designed to help keep you in the mindset of being that woman who has it all This journal is a perfect gift for a female entrepreneur Details Size 6x9 Pages 120 pages Cover Matte finish Paper White **How to Survive in a Recession** Slim Thug,2012-05-20 The financial expertise of rapper Slim Thug and the experiences that shaped his savvy **The Bad BITCH Handbook** Desiree Noel,2023-01-14 One Woman s memoir and guide to personal liberation through inner healing personal transformation and conscious manifestation **Radical Confidence** Lisa Bilyeu,2022-05-10 An inspiring and laugh out loud guide to building the kind of confidence it really takes to live the life of your dreams from Impact Theory cofounder and growth mindset guru Lisa Bilyeu Author Lisa Bilyeu grew up in London where she was always told her dreams of Hollywood were a little too big for a girl After all in her traditional Greek culture who cared about prestigious awards when you could be a housewife Lisa that s who Lisa cared Except after graduating from college meeting the man of her dreams and moving to Los Angeles a housewife was exactly what Lisa became for eight frikin years How the heck did that happen Radical Confidence is the story of how Lisa unpaused her life to cofound a company that went from zero to a billion dollars in just five years and become a leader in the world of personal development Transforming herself with a growth mindset Lisa learned to face her insecurities and inadequacies embrace new challenges solve her own problems tell her negative voice to shut the eff up and become the hero of her own life by life hacking her way to feeling confident Radical Confidence is a deeply personal memoir filled with insight and practical tools for honest self assessment mastering emotions and staying motivated With humor honesty and Lisa s beloved hilarious voice this book teaches you how to be driven by your insecurities to create the life of your dreams

TWILIGHT NIGHTS PAUL D. JONES,2012-09-12 In writing this book I felt a need to explain how important it is that one knows himself herself while growing up in life which as you can see I didn t That inner feeling that I kept getting was the enemy trying to put me in a position I could never come out of It controlled me during most of my life There were always signs pointing to the right choices to make but when you are caught up in what you feel is the success of your life you never pay attention to those signs you go with the flow of the moment *Twilight Nights* has a

second part to it that will explain in detail that recognition of signs and how to respond to them so you are aware of who is leading you It shouldn't take a life time to here your calling unless you've been transformed into one that has become a part of this world Thank God he let me know I was not apart of this world just in this world and that's what saved me This book is a very interesting read and for those that just like entertainment you will get a thrill out of this book but for those looking for something else there is a message in this message that only the spirit of God can reveal The word of God says we fight against principalities and wicked spirits in high places Learn to know God so you can stand against the wiles of the enemy and his Spirit will guide you into his truth ENJOY
