**Kiribati's Political Economy and Capacity Development** Asian Development Bank, Ronald C. Duncan, 2009

Kiribati's Political Economy and Capacity Development Asian Development Bank, 2009-12-01 This reports the result of an investigation into the social economic political and institutional factors that encourage or impede inclusive economic development in Kiribati and hamper the capacity development needed to overcome obstacles to that development Much of the information on which this report is based was collected in discussions in South Tarawa in January and April 2007 The institutional analysis and development framework of Ostrom et al 2001 served as the analytical framework for the investigation This framework which was developed by researchers from the Workshop in Political Theory and Policy Analysis at Indiana University in the United States is an effective way to explain group behavior that influences a country s economic development **Kiribati's Political Economy and Capacity Development** ,2009 *Kiribati Economic and Development Strategy Handbook Volume 1 Strategic Information and Developments* IBP, Inc., 2009-03-20 Kiribati Economic Development Strategy Handbook **Kiribati Social and Economic Report 2008** Asian Development Bank, 2009-12-01 After two impressively peaceful decades there are signs of a dangerous degree of complacency in Kiribati s view of its domestic and external affairs Forms of cultural and political resistance to change have thus been encouraged and these are handicapping the nation s response to development risks Eight leading sources of development risk confronting Kiribati are identified and these require understanding and appropriate responses in the form of well formulated national development strategies Based on a thorough assessment of risks priorities and options by sector in the main report 16 policy actions are recommended as keys to the full range of responses that need to be formulated to cope with development risk The Political Economy of Economic Reform in the Pacific Ron Duncan, 2011-07-01 Over the last several years Vanuatu has become one of the fastest growing economies in the Pacific region driven primarily by tourism construction and aid inflows The achievement of strong economic growth has also occurred on the back of improved economic policy effective fiscal management and improved environment for private sector development While recent gains have been impressive more remains to be done to sustain growth and ensure the benefits are distributed throughout the nation The Government is now on a sound financial footing and is well placed to address key development issues The report discusses options for responding to these needs with a view to helping guide public policy formulation in Vanuatu **Development Through Bricolage** Frances Cleaver, 2017-09-25 Why despite an emphasis on getting institutions right do development initiatives so infrequently deliver as planned Why do many institutions designed for natural resource management e g Water User Associations Irrigation Committees Forest Management Councils not work as planners intended This book disputes the model of development by design and argues that institutions are formed through the uneven patching together of old practices and accepted norms with new arrangements The managing of natural resources and delivery of development through such processes of bricolage is likened to

institutional DIY rather than engineering or design The author explores the processes involved in institutional bricolage the constant renegotiation of norms the reinvention of tradition the importance of legitimate authority and the role of people themselves in shaping such arrangements Bricolage is seen as an inevitable but not always benign process the extent to which it reproduces social inequalities or creates space for challenging them is also considered The book draws on a number of contemporary strands of development thinking about collective action participation governance natural resource management political ecology and wellbeing It synthesises these to develop new understandings of why and how people act to manage resources and how access is secured or denied A variety of case studies ranging from the management of water Zimbabwe India Pakistan conflict and cooperation over land grazing and water Tanzania and the emergence of community management of forests Sweden Nepal illustrate the context specific and generalised nature of bricolage and the resultant challenges for development policy and practice Kiribati Economic & Development Strategy Handbook Volume 1 Strategic and Practical Information IBP USA,2013-08 A New Mommy For Christmas Widower Davis Turner doesn t need to hear his children s whispered wishes for a new mom to recognize that new neighbor Lana Ross is a beautiful woman But he worries that his feelings for the former bad girl could put his family at risk for small town scandal Lana knows she should steer clear of Davis Yet she can t resist spending time with the handsome single dad even if the truth might soon tear them apart Though Lana has turned over a new leaf her secrets have followed her to Whisper Falls Secrets that could destroy her hope for a future with Davis Whisper Falls Where every prayer is answered Pacific Department 2009 Compendium of Knowledge Products Asian Development Bank,2010-06-01 This contains the publications produced in 2009 announces the forthcoming titles and lists some of the major publications of earlier years **Working Differently In Fragile and Conflict-Affected Situations** Asian Development Bank,2012-12-01 This handbook aims to help Asian Development Bank staff and other development practitioners to more effectively plan design and implement projects in fragile and conflict affected settings The practical examples provided in this handbook have been drawn from the collective tacit knowledge of ADB s operational staff These practical examples include innovative flexible streamlined and simplified approaches to project processing and implementation that are relevant to fragile situations Pacific Department 2011 Compendium of Knowledge Products Asian Development Bank,2012-07-01 This contains the publications produced in 2011 and lists some of the major publications of earlier years Kiribati Country Study Guide Volume 1 Strategic Information IBP USA,2013-08 Kiribati Country Study Guide Strategic Information and Developments **Kiribati Business Law Handbook Volume 1 Strategic Information and Basic Laws** IBP, Inc., **Kiribati Business Law Handbook Volume 1 Strategic Information and Selected Laws** IBP USA, Kiribati Business & Investment Opportunities Yearbook Volume 1 Strategic and Practical Information IBP USA,2013-08 2011 Updated Reprint Updated Annually Kiribati Business and Investment Opportunities Yearbook *Managing Reforms for Development* George Abonyi,Richard Bolt,Romeo Bernardo,Ronald Duncan,Christine

Tang,2013-01-01 Reforms challenge the status quo often threatening those with a stake in the current system even if the status quo is unsustainable Institutions also need the capacity to implement and sustain reforms to meet expectations from change The political and institutional changes resulting from reforms have to be managed until the success of the reforms becomes apparent The Asian Development Bank for more than 2 decades of supporting reforms has found that no blueprint for success exists however there are clues as to what may work and how the reform process can be better managed The book aims to help those involved in the policy reform process to understand the political economy factors that influence the change process and of the assistance to support reforms Learning from Success Joe Bolger,2008-12-01 The study contains analyses and recommendations on the approaches to capacity development that work best and the conditions that have been conducive to their success the unique challenges faced by Pacific developing member countries in addressing capacity constraints and the implications for future interventions at both the strategic and operational levels *Operational Plan for Enhancing ADB's Effectiveness in Fragile and Conflict-Affected Situations* Asian Development Bank,2013-04-01 Supporting its developing member countries DMCs affected by fragility and conflict is a high priority for the Asian Development Bank ADB This is demonstrated by ADB s adoption of its 2007 approach which responds to the special challenges faced by DMCs experiencing conditions that are now generally described as fragile and conflict affected situations FCAS and by ADB s endorsement of the New Deal for Engagement in Fragile States in 2011 ADB s Strategy 2020 reinforces its commitment to FCAS This publication provides details on actions that ADB will take to improve the development impact of its support to DMCs that are experiencing fragility and the effects of conflict on either a national or subnational level

Same Energy, More Power Asian Development Bank,2013-06-01 Energy efficiency is often defined as delivered energy service per unit of energy supplied into a system Supply side energy efficiency refers to decreasing energy losses in the supply chain for improved performance in the production and delivery of electricity and heat Demand side energy efficiency DSEE is achieved through consuming less energy for the same level of service for improved efficiencies at the point of final energy use DSEE in particular offers vast potential to meet regional energy needs in Asia yet supply side strategies tend to be prioritized as a focus of investment and planning Over the past decade the Asian Development Bank ADB has succeeded in quickly scaling up its investment in energy efficiency and the development of renewable resources within its developing member countries through ADB s Clean Energy Program This report examines prospects to accelerate lending and investment for DSEE in Asia in light of trends that are driving energy use and policy and regulatory change in developing countries Such efforts can help realize the full potential of DSEE as a least cost low carbon resource for energy security environmental protection and sustainable and inclusive growth benefiting all Asians Islands at Risk? John Connell,2013 This book provides a wide ranging comparative analysis of contemporary economic social political and environmental change in small islands island states and territories through every ocean It focuses on those island realms conventionally perceived

as developing rather than developed in the Caribbean Pacific and Indian Oceans John Connell examines the decline of agriculture and the rise of tourism the problems of urbanization and the particular role of migration and remittances within a culture of migration He seeks to balance economic challenges with environmental threats notably that of climate change and social changes with the survival of culture pointing to awkward and hybrid development futures This unique study comprehensively balances environmental social and economic changes to provide a more wide ranging assessment of sustainability that will be invaluable for academics and postgraduate students on environment and international development courses
