shouldn't students know of Jacob's sons so much like Cain yet united by a brother who laid aside pride's call for revenge even pride's call for personal justice This book leads public school students through the first part of the world's hidden away bestseller marking out a path through the legal thickets and pits of the Bible into the hearts of the ancients people who had the same joys sorrows failures and hopes that all of us have even today A Student's Notes on Genesis is for curious minded students and for public school teachers who know that education should include the world's bestseller *Reference Books Bulletin*, 2001-2002 American Library Association, Mary Ellen Quinn, 2002 The Quote Sleuth Anthony W.
