New Testament as Christian Scripture (Reading Christian Scripture) Constantine R. Campbell, Jonathan T.

Pennington, 2020-08-04 This survey textbook by two respected New Testament scholars is designed to meet the needs of contemporary evangelical undergraduates. The book effectively covers the New Testament books and major topics in the New Testament assuming no prior academic study of the Bible. The authors pay attention to how the New Testament documents fit together as a canonical whole that supplements the Old Testament to make up the Christian Scriptures. They also show how the New Testament writings provide basic material for Christian doctrine, spirituality, and engagement with culture. Chapters can be assigned in any order, making this an ideal textbook for one semester courses at evangelical schools. This is the first volume in a new series of survey textbooks that will cover the Old and New Testaments. The book features full color illustrations that hold interest and aid learning and offers a full array of pedagogical aids: photographs, sidebars, maps, time lines, charts, glossary, and discussion questions. Additional resources for instructors and students are available through Textbook eSources. [Open Roads to Reading 5 Teacher's Manual 1st Ed. 1999](#), [Exegetical Journeys in Biblical Hebrew](#)

H. H. Hardy, II, 2025-03-25 Often students want to maintain their Biblical Hebrew when they're between courses or they want to return to reading the Hebrew Bible after some time away but they don't know where to start. This book provides ninety days of guided readings to help students retain or refresh their knowledge and grow their skill in reading and interpreting the Old Testament. H. H. Hardy II, an expert in Biblical Hebrew and an experienced teacher, guides readers through level appropriate passages selected from across the Old Testament canon, encouraging them to read and investigate a few verses each day. The book begins with easy passages and gradually increases in difficulty throughout the 90 days. Each guided reading includes the Hebrew text, explanations of unfamiliar vocabulary and verb forms, and grammatical descriptions focused on exegesis. Each day ends with a 'For the Journey' section which reflects on important details and applications of the text. This follows up to Hardy's *Exegetical Gems from Biblical Hebrew*, which is ideal for Hebrew language students after their first year of study and for those who want to revive their knowledge and love of Biblical Hebrew.
