When you come across terms/phrases you do not understand, look up their definitions. The AP US Government & Politics Exam contains complex language that can create confusion for students - even those students who have a strong understanding of course material. Improving your vocabulary will improve your ability to read and decipher passages, scenarios, questions, etc.

Example: The Enlightenment = A European movement of the 18th century that stressed the belief that science and logic give people more knowledge and understanding than tradition and religion.

1. Complete the chart below that contains information about the Enlightenment principles adopted by leading revolutionaries in the colonies.

Idea from Enlightenment Philosopher(s)	Description
Natural Rights (John Locke)	According to John Locke people are born with three natural rights such as life, liberty, and property. In the sense that the government's right is to protect those laws. If failed citizens can do otherwise. Choices don't interfere with those rights for another person.
Social Contract (Thomas Hobbes & Jean-Jacques Rousseau)	This is an agreement between people and the government about what they both provide to each other.
Popular Sovereignty (Jean-Jacques Rousseau)	The idea of the government obtains the consent of people and expresses through elected representatives.
Republicanism (Baron de Montesquieu)	This type of government gets limited with the type of elected representatives.

2. Think as a Political Scientist: Define limited government.

This is when the government has strict limits on the laws that enhance the power that limits people's liberty. Nevertheless it's often written through the constitution.

3. Why did the American colonists want to break away from King George III & Great Britain? Provide 2+ reasons.

In the 18th century many people were angry because of the government. This meant that they couldn't make their
