interchange manual has been designed to help you in the purchase and identification of original equipment parts It will save
many hours of time locating the parts you need With this manual you will know exactly what parts from which vehicles are
identical There may be no need to pay a high price for a supposedly rare part when it may be identical to many other vehicles
parts Many parts interchange between different years makes and models For example a part from a 53 Pontiac may be the
same as for a 55 Cadillac or a part from a 65 Chevy Impala may be the same as a part for 64 Buick This manual may not only
save you money it could be a great reference source for your restoration project It includes a model identification chart
engine identification information serial number charts original factory part numbers for certain parts it includes casting
numbers and more The manual is broken down by the major groups listed below and each of these groups is further broken
down into specific parts For example under the body group it lists everything from bumpers to window regulators
