Knowing the Context James R. Nieman, Provides a specific and disciplined set of tools for study and analysis of contexts Helps preachers to discern values meanings and worldviews in their contexts Keyed to online sermon samples and other Web based features to enhance teaching

Preaching and the Other Ronald J. Allen, 2008-11-01 Preaching and the Other introduces the reader to six major themes characteristic of the postmodern era that are important for preaching and explains their implications Themes discussed include perception as interpretation deconstruction otherness transgression pluralism and the importance of apologetics

Delivering the Sermon Teresa L. Fry Brown, 2008-10-01 In Delivering the Sermon Teresa Fry Brown introduces preachers to the effective use of voice and body in the animation of the word in the preaching moment Combining the latest research in communications speech pathology and homiletics with her own experience as a speech language pathologist Fry Brown creatively empowers preachers to improve their effectiveness in proclamation Practical suggestions and exercises for enhancing voice diction and nonverbal engagement of the listener useable by groups or individuals are included in each chapter

Proleptic Pedagogy Sondra H. Matthaei, Nancy R. Howell, 2014-06-17 Could we have imagined how much theological education would change in the new millennium Shifting needs of students classrooms and churches have demanded constant revisions of the curriculum course design classroom technology and pedagogical strategies Saint Paul School of Theology felt the tide of change within our own walls and designed a project called Proleptic Pedagogy to address three distinct pedagogical challenges for the future of theological education First instead of fitting new technologies into old pedagogies how are teaching and learning transformed by shifting needs of students who are digital natives digital immigrants or distance learners Second instead of reactive strategies what pedagogy proactively eliminates accommodations because courses are designed with flexibility and openness to diverse learning styles disabilities and needs Third instead of engaging student diversity with the tools of the 1960s what new teaching and learning strategies anticipate future student racial and ethnic demographics and interracial educational experiences This volume of essays narrates our classroom stories teases out pedagogical issues examines pedagogical literature reflects on theology of pedagogy and constructs pedagogical proposals with an open invitation for other theological educators to join our conversation about the future of theological education

Christian Practical Wisdom Dorothy C. Bass , Kathleen A. Cahalan , Bonnie J. Miller-McLemore , James R. Nieman , Christian B. Scharen , 2016 In this richly collaborative work five distinguished scholars examine the oft neglected embodied practical wisdom that is essential for true theological understanding and faithful Christian living After first showing what Christian practical wisdom is and does in several real life situations the authors tell why such practical wisdom matters and how it operates exploring reasons behind its decline in both the academy and the church and setting forth constructive cases for its renewal

Shaping the Claim Marvin A. McMickle, 2008-09-03 Shaping the Claim helps the preacher discover the core of the message to be preached the sermonic

claim In order to be effective says McMickle a sermon needs to address the hearers at three distinct levels the head or the intellect the heart or passion and conviction and the hand or an expected and desired response In order to discover the biblical claim that a sermon should make upon a particular congregation at a particular time McMickle presents a helpful three step process 1 What 2 So What and 3 Now What The book is keyed to online sermon samples and other Web based features such as sermon illustrations and art

Serving the Word Melinda A. Quivik, This book invites the reader to see how Gods word can become the crux not only of the sermon but of the worship service as a whole This book invites the reader to explore howthrough Gods wordpreaching informs and is in turn supported by the worship event as a whole **You Never Step into the Same Pulpit Twice** Ronald J. Allen,2022-06-23 This volume develops an approach to preaching that brings together two important forces One is process theology and the other is a homiletic of conversation based on mutual critical correlation In this approach the preacher does not unilaterally announce the Word of God but is the leader of an exciting conversation involving the biblical text process theology the congregation and voices from the larger world The preacher seeks to help the congregation identify God s invitations towards inclusive well being and to imagine how to respond in ways that are consistent with those invitations that promote inclusive well being The book begins with a crisp and clear summary of the worldview of process theology highlighting its distinctive views on how God operates in the world through invitation and on the interrelationship of all things The work then outlines an approach to biblical exegesis informed by process perspectives and sketches a method for bringing the biblical voice into dialogue with voices from tradition contemporary theology and the congregation and preacher The volume suggests shaping the sermon to honor process theology and conversation The volume concludes by noticing how perspectives from process and conversation help the preacher embody the sermon in engaging ways

Finding Language and Imagery Jennifer L. Lord,2009-11-01 Sermons use words And though it may seem obvious that preachers should be careful and exacting in word choice preachers often set aside this aspect of preaching in favor of exegesis form and sermon focus and make such language work a secondary task In *Finding Language and Imagery* Jennifer L Lord asserts that because language shapes faith preachers must be disciplined to find fresh words for sermons and to make good choices about both their own words and those borrowed from others By presenting key tools and terms along with writing exercises Lord helps users develop both their understanding of language and their skills to capture the religious imagination of their listeners Book jacket

Theologies of the Gospel in Context David Schnasa Jacobsen,2017-08-25 Many preachers and teachers of preaching talk about the gospel few name it Theologies of the Gospel in Context assembles a gifted group of homileticians who think that preachers need to be able to articulate the gospel not in general but in a certain time and place in context They consider what gospel sounds like for people under oppression in capitalist economies in neocolonial contexts for survivors of trauma and for disestablished mainline churches marred by racism Preachers will appreciate these preacher scholars desire to articulate the gospel with clarity especially

since the term is so often left unexplained Homileticians will see a new genre of doing their work as teachers and researchers in preaching a vision that helps preaching see itself not just as an adjunct to exegesis or communication but a place of doing theology In these pages homiletics is more than technique it is a truly theological discipline **Bulletin of the Atomic Scientists** ,1959-02 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world **Pipeline** David J. Wilson,Lorane Wilson,2018-05-01 What would it look like if your church really took the last words of Jesus seriously The Great Commission was not just a suggestion by our Lord but an imperative mandate given to his followers Missionary sending agencies are deploying workers to the field but many of them come from disengaged churches that are not producing well equipped disciples We need a fully integrated global supply chain a pipeline that has disciples as the precious commodity as well as an effective infrastructure to distribute and replicate them around the globe Pipeline seeks to re engage the church in mobilizing the next generation of workers for the harvest This is a collaboration of forty different authors from churches agencies and cross cultural servants As people in distant places wait for a messenger of hope and salvation will your church venture into the pipeline Atlanta ,2003-08 Atlanta magazine s editorial mission is to engage our community through provocative writing authoritative reporting and superlative design that illuminate the people the issues the trends and the events that define our city The magazine informs challenges and entertains our readers each month while helping them make intelligent choices not only about what they do and where they go but what they think about matters of importance to the community and the region Atlanta magazine s editorial mission is to engage our community through provocative writing authoritative reporting and superlative design that illuminate the people the issues the trends and the events that define our city The magazine informs challenges and entertains our readers each month while helping them make intelligent choices not only about what they do and where they go but what they think about matters of importance to the community and the region You Showed Off Raymond C Bell,2025-05-02 In You Showed Out Preaching in Context Dr Raymond C Bell offers an insightful exploration of the art of preaching that is both biblically grounded and culturally relevant Drawing from years of ministry and academic study Bell emphasizes the importance of understanding the context in which preaching takes place both the scriptural context and the lived realities of the congregation This book equips pastors ministers and church leaders with practical tools for sermon preparation that address contemporary issues while remaining faithful to the Word of God Dr Bell s methodology integrates a deep theological foundation with the unique needs of today s diverse congregations allowing preachers to connect God s message with the hearts and minds of their listeners Through a series of thought provoking chapters Bell outlines the principles of effective preaching offers strategies for engaging with cultural contexts and provides concrete steps for delivering powerful life changing sermons Whether you re a seasoned pastor or a ministry student You Showed Out will

inspire you to preach with clarity compassion and cultural sensitivity **Introduction to Preaching** Leah D. Schade, Jerry L. Sumney, Emily Askew, 2023-02-03 Coauthored by a homiletician a theologian and a biblical scholar this book is a preaching primer that provides tools for crafting effective engaging and inspiring sermons Using a unique workbook style format Introduction to Preaching equips seminarians and preachers to use appropriate theological claims informed by solid biblical interpretation while providing several sample sermons from the authors Readers will learn how to use a three part schema the Central Question the Central Claim and the Central Purpose to provide the drive direction and destination for the sermon Offering guidelines for using appropriate sermon forms imagery metaphors and creativity together with advice on how to deliver contextually relevant sermons using our bodies presence and voice make this a staple for both new and experienced preachers Introduction to Preaching includes a chapter on exploring the space of preaching including onsite and online sermons In addition it features charts and worksheets to help organize the sermon writing process as well as exercises for the preacher s voice and body and tips for advice for guest preachers and supply preachers A glossary of terms and an extensive bibliography make this a handy reference guide for students and all preachers **You Showed Off!** Raymond Charles Bell, 2023-07-11 The purpose of this book is to explain why preaching in context is effective and to help the preacher to develop a method for preaching in context In this book I will first define what context is Then I will explain what I mean by preaching in context Next I will offer reasons for preaching in context I will then describe how we find the surrounding issues good soil so that we can preach in context I will offer a methodology for preaching in context And finally I will describe how to construct a sermon using this approach *The Sign Language of Faith* Gerd Theissen, 1995 As those who have read his *The Shadow of the Galilean and Biblical Faith* are aware Gerd Theissen is not someone whose main concern is the theory and practice of preaching However he himself is a fascinating preacher as was evident in his imaginative collection *The Open Door* which Frances Young in *Theology* described as nothing less than gripping In this book he engages as it were in self analysis an analysis of how he preaches in order to offer help to others A first draft was shown to younger ministers women and men for their critical comments and the book derives from lectures which gave rise to lively discussion Professor Theissen s illuminating comments are grouped round a variety of focal points The first chapter discusses the biblical world and how that can be approached then comes the text and the new possibilities offered by the open text The third chapter examines how preaching can talk about God and the fourth looks at the existential dimension of preaching A fifth chapter on preaching as communication is followed by five sample sermons Preachers will learn a great deal from this book but so too will their congregations and anyone interested in the communication of Christianity in the modern world Few theologians are richer in creative ideas than Gerd Theissen and they are here in abundance Intentional Preaching Meirwyn Walters, 2021-10-05 *Intentional Preaching* written by Meirwyn Walters is the handy guide that every preacher needs In preparing and delivering their sermons preachers make dozens of decisions some intentionally many perhaps less so Why not

make thoughtful decisions for everything that goes into preaching a good sermon From first words to hand gestures choosing a text masterful use of exegesis captivating illustrations titles approaches to reading Scripture use of voice PowerPoint applications that stick and scores of other aspects of sermon preparation and delivery this book explores the panoply of elements in good preaching Targeted at preachers the book consists of 117 squiblets ranging from a sentence to three or four pages each on a particular aspect of preaching Some are quite short offering practical wisdom some provide specific advice and tools and some contain vignettes from the field In this delightful and sage book there is something for every preacher to improve his or her preaching Although pastors may have talked among themselves about how to construct effective sermons they have seldom brought the listeners into the conversation They need a word like this from a layman a lawyer and a committed follower of Jesus who really is a friend of preachers Haddon Robinson Key points and features Explores the panoply of elements in good preaching from hand gestures to use of voice to captivating illustrations and more Easily readable and incredibly humorous short chapters for busy pastors A handy guidebook in a small trim size packed with snippets of sage advice **Vital Elements of Preaching** Arthur Stephen Hoyt,1914 *Interpretation and Application* Jeffrey D.
