O. Sadiku,2012-01-16 The greatest need of professing Christians today is a better deeper and fuller knowledge of Christ The Christian life can be described as getting to know God better every day Every Christian should regularly daily read the Word of God We should find time for quiet time or personal devotion For over 20 years I have been using commentaries in my devotions The blessings derived from the commentaries is overwhelming I am writing this commentary to share some of those blessings and lessons I have learned over the years This verse by verse commentary is different from others in two respects First it is brief while some commentaries are unnecessarily wordy and verbose Second it is Pentecostal in outlook This implies that we generally adhere to the doctrine of biblical inerrancy and adopt a literalist approach to the interpretation of the Bible Ephesians ranks very high among the theological literature of the Christian Church It has been regarded by some as the believers bank and the treasure house of the Bible It is perhaps the grandest of all Pauls epistles **The Left Behind** Olufemi A. Ijiwoye,2018-06-19 As a believer whenever we hear about the left behind we immediately think about the Rapture We instantly think about the unbelievers or those that have not accepted Jesus Christ into their lives We always think about how unbelievers will remain in this world during the Rapture to face the Antichrist and believers will be caught up with Christ in the sky and gloriously taken into heaven I received a revelation about the left behind that greatly transformed my life and my walk with the Lord The Lord instructed me to write this book to enlighten all believers and born again Christians

about the topic of being left behind not from the traditional thought or understanding that we all have about this topic but from a different perspective which is believers that are left out of God's plan purpose or agenda in their generation even though these believers are consistent and devout churchgoers
