Criminal Law, Second Edition Charles P. Nemeth, 2011-11-16 In order to fully grasp criminal law concepts students must go beyond mere rote memorization of the penal code and attempt to understand where the laws originate from and how they have developed Criminal Law Second Edition blends legal and moral reasoning in the examination of crimes and explores the history relating to jurisprudence and roots of criminal law It fosters discussions of controversial issues and delivers abridged case law decisions that target the essence of appellate rulings Grounded in the model penal code making the text national in scope this volume examines Why the criminal codes originated and the moral religious spiritual and human influences that led to our present system How crimes are described in the modern criminal justice model The two essential elements necessary for criminal culpability actus reus the act committed or omitted and mens rea the mind and intent of the actor Offenses against the body resulting in death including murder manslaughter felony murder and negligent homicide Nonterminal criminal conduct against the body including robbery kidnapping false imprisonment assault and hate crimes Sexual assault rape necrophilia incest and child molestation Property offenses such as larceny theft bribery forgery and embezzlement Crimes against the home including burglary trespass arson and vandalism The book also examines controversial public morality issues such as prostitution drug legalization obscenity and pornography The final two chapters discuss inchoate offenses where the criminal act has not been completed and various criminal defenses such as legal insanity entrapment coercion self defense and mistake of fact or law Important keywords introduce each chapter and discussion questions and suggested readings appear at the end of each chapter prompting lively debate and further inquiry into a fascinating subject area that continues to evolve

**America's Last Great Newspaper War** Mike Jaccarino, 2020-03-03  
NAMED A BEST BOOK OF THE WEEK BY THE NEW YORK POST ALSO AVAILABLE AS AN AUDIOBOOK A from the trenches view of New York Daily News and New York Post runners and photographers as they stop at nothing to break the story and squash their tabloid arch rivals When author Mike Jaccarino was offered a job at the Daily News in 2006 he was asked a single question Kid what are you going to do to help us beat the Post That was the year things went sideways at the News when the New York Post surpassed its nemesis in circulation for the first time in the history of both papers Tasked with one job crush the Post Jaccarino here provides the behind the scenes story of how the runners and shooters on both sides would do anything and everything to get the scoop before their opponents The New York Daily News and the New York Post have long been the Hatfields and McCoys of American media two warring tabloids in a town big enough for only one of them As digital news rendered print journalism obsolete the fight to survive in NYC became an epic Darwinian battle In America's Last Great Newspaper War Jaccarino exposes the untold story of this tabloid death match of such ferocity and obsession its like has not occurred since Pulitzer Hearst Told through the eyes of hungry runners field reporters and shooters photographers who would employ phony police lights to overcome traffic Mike Jaccarino's memoir unmasks the do whatever

it takes era of reporting where the ends justified the means and nothing was off limits His no holds barred account describes sneaking into hospitals months long stakeouts infiltrating John Gotti s crypt bidding wars for scoops high speed car chases with Hillary Clinton O J Simpson and the baby mama of a philandering congressman all to get that coveted front page story Today few runners and shooters remain on the street Their age and exploits are as bygone as the News Post war and American newspapers generally Where armies once battled often no one is covering the story at all Funding for this book was provided by Furthermore a program of the J M Kaplan Fund
