Go Big Or Go Home:

Go Big or Go Home Scotty McCreery, Travis Thrasher, 2016-05-03 Platinum award winning country music star Scotty McCreery shares his journey from North Carolina to American Idol and the top of the country music charts American Idol was just a simple singing competition that seemed fun to audition for Who knew what kind of doors it might open for a sixteen year old from Garner North Carolina Go Big or Go Home is the story of a kid with country songs in his soul Daring to enter the limelight at a young age Scotty found himself embraced by the nation and even overseas as he competed on season 10 of American Idol In Go Big or Go Home Scotty shares his journey from his North Carolina roots to winning America's most popular singing competition and launching the musical career he had always dreamed of Along the way Scotty teaches us What it means to have an uncompromising faith The power of dreaming big The importance of embracing your God given talents Join Scotty as he shares a glimpse of where he came from and the impact his faith family and friends have had on a humble guy who keeps asking Why me Praise for Go Big or Go Home Revealing touching and often humorous Go Big or Go Home takes fans behind the scenes of Scotty McCreery's journey so far and pulls back the curtain on American Idol and the music industry while McCreery navigates the tricky waters of instant fame with grace insight and above all gratitude for the gifts he has been given Melinda Newman music journalist Being an artist takes you out of your comfort zone and thrusts you into the world Some of what you experience you are prepared for and some of it you aren't To quote the country music prophet Aaron Tippin You've got to stand for somethin or you'll fall for anything Scotty McCreery stands for something You hear it in his voice You see it in his actions And you feel it in his songs This book outlines the wild ride he's been on being thrust into the world Josh Turner Grammy nominated and multiplatinum selling MCA recording artist and bestselling author

Balls Out Marketing: Go Big or Go Home - Push Boundaries and Unlock Your Full Marketing Potential

,2024-03-01 This isn't just a book it's a battle cry for the brave a playbook for pioneers in a business world that eats the timid for breakfast Here you're invited to a feast of innovation where mediocrity is off the menu and boldness is the chef's special Unleash the Power of Balls Out Marketing In today's dog eat dog business scene marketing's either your rocket fuel or your anchor Sadly too many are still hanging onto outdated traditional marketing plays leading to piss poor results Everything is saturated prices are skyrocketing and the competition is brutal The old school ways are dead Shaking up your marketing game isn't just smart it's critical The battle to be noticed is real if you don't step up you're done So What is Balls Out Marketing It's not just a buzzword it's a philosophy a mindset and an attitude that encourages innovation expansion and advancement It harnesses your potential pushing you to go beyond the boundaries of what you once considered possible Everything is within reach if you're brave enough to reach out and grab it Think bigger Way bigger Now multiply that by 100 000 The Mindset According to the Bureau of Labor Statistics about 20% of small businesses fail in their first year The failure rate increases to 30% by the second year 50% by the fifth year and 70% by the tenth year One big reason that these

businesses fail is a lack of understanding of marketing or piss poor marketing efforts in general Unfortunately most people s approach to marketing is to look at what the competition is doing and to do the same exact thing Running this type of half ass marketing campaign doesn t work Copying other people s sites ads and promotions won t give you the same success That s Not How It Works Marketing is not a one shoe fits all operation What works for one business likely will not work for another It doesn t work that way This strategy is a waste of time and money Every business has its unique characteristics target audiences and value propositions Marketing strategies should be specifically tailored to highlight these distinct features and built around the needs of the targeted audience Understand Your Customer Your marketing messages should deeply resonate with your target audience This requires a deep understanding of your customers needs How your products or services can meet these needs What problem can you solve How can you help A basic understanding of your customer isn t enough Become your customer Be Weird Think Weird If you haven t noticed the marketing world is in the middle of a weird revolution It s no longer about playing by the rules it s about rewriting them or ditching them altogether There are tons of unique new ways to reach customers The conventional bs no longer works well Come up with a unique strategy that revels in the odd the peculiar the downright bizarre Go Big or Go Home Our approach promotes a mentality focused on boldness execution and scale It encourages boldness when others are timid It s about standing strong amidst adversity ushering in a wave of determination that separates you from the rest When the crowd is fearful choose to be fearless embracing the challenges that come your way and use them as stepping stones for growth Your business must grow to succeed Growth is key Grab your copy today

Worldbuilding for Game Designers Steve Dee,2025-06-02 Our modern world is dominated by giant media companies and increasingly they don't so much sell story characters or gameplay as they do their setting Fictional worlds are big business and represent big value to companies and audiences alike and they are increasingly expected and demanded by both As yet however the art of building worlds has been only taught to writers of novels or films The same worlds are frequently used across different modes of media but successfully adapting them to games or building them for this purpose requires a specific approach Unlike all other artforms games mandate participation with the audience stepping into the world of the game and taking on the roles that the rules and pieces demand of them Likewise whenever an audience engages with a fictional world they are inherently playing a game of make believe and imagining themselves within a different context This makes world building and gaming a perfect match with each element giving more power to the other This book unlocks

exactly how the two disciplines are entwined and work together and how a designer can harness that synergy to the best effect The text is composed of short focused chapters that explain every step of building a compelling world from getting your first ideas to moving towards publication It also provides a deeper understanding of the how and why of world creation and why worlds have so much power over us as players and as people Covers every step of world creation from getting ideas to seeking publication A comprehensive analysis of the field Inspirational tricks to break blocks or find new angles Practical exercises at the end of every chapter Simple and accessible for every kind of game or game designer
