Morality Truly Christian, Truly African Paulinus Ikechukwu Odozor C.S.Sp., 2014-11-15 Given the largely Eurocentric nature of moral theology in the history of the Roman Catholic Church what will it take to invest the theological community in the history and moral challenges of the Church in other parts of the world especially Africa What is to be gained for the whole Church when this happens in a deep and lasting way In this timely and important study Paulinus Ikechukwu Odozor brings greater theological clarity to the issue of the relationship between Christianity and African tradition in the area of ethical foundations He also provides a constructive example of what fundamental moral theology done from an African and Christian especially Catholic moral theological point of view could look like Following a brief history of the development of African Christian theology Odozor examines responses of African theologians to African tradition and Christian responses to the reality of non Christian religions In a context where the African religious experience and heritage are powerful sources of meaning and identity Christian evangelization raises questions both about the African primal religions and about Christianity itself and its claims Odozor takes up the subject of moral reasoning in an African Christian theological ethics and concludes with case studies that show how the African Church has tried to inculturate moral discourse on a religiously pluralistic continent and relate the healing gospel message to African situations Students and scholars of moral theology and ethics and church leaders will profit from the issues raised in *Morality Truly Christian Truly African*

Are Christians Mormon? David L. Paulsen, Hal R. Boyd, 2017-05-08 In the past scholars and others have asked whether Mormons are Christian This work reverses the question by asking are Christians Mormon By identifying Mormon doctrines formerly considered heretical and documenting how these doctrines have gained increasing acceptance within mainstream Christian theologies the work presents some surprising insights In chapters focusing on subjects such as deification the divine feminine and the reopening of the scriptural canon among others the book sets out

Joseph Smith's teachings on these ideas summarizes the criticisms of those positions and examines trends in contemporary Christian theology that significantly converge in Joseph's direction Exploring the convergence of contemporary Christian theology with Mormon doctrines this book will appeal to a broad range of students and readers exploring Christian theology and the Latter day Saint tradition *From Misery to Hope* Joe Egan, 2010 How can one believe in a God of love amid all the evil and suffering found in the world How does one do theology after Auschwitz while vast numbers of people still have to endure violent oppression every day This book seeks to address such questions from a standpoint informed by life in Africa which in the face of extraordinary difficulties bears witness to Gospel hope by demonstrating forgiveness in action and promoting reconciliation The work unfolds in two parts In the first part a description of the misery that characterises much of life in Africa in the recent past opens up to a theological consideration of the underlying causes and of God's response to them In the second part the joy which is so characteristic of life in Africa even in places of immense suffering sets the scene for detailed reflections on liturgy memory forgiveness and hope *Mestizo Christianity* Arturo J. Banuelas, 2004-10-29 Mestizo Christianity is the most comprehensive introduction to the work of the principle figures in U S Hispanic theology Protestant as well as Catholic Other anthologies exist but Mestizo Christianity provides the best and most representative writing by each of the fourteen first generation theologians in their areas of specialization Since by every account the Latino Hispanic church will continue to grow well into the twenty first century Mestizo Christianity provides a grounding in an area of increasing theological and pastoral importance Topics include affirming Hispanic culture and theological identity methodology popular religiosity women's voices social ethics spirituality and ecumenical perspectives Also included is a brief biography of each featured author and a comprehensive bibliography of Hispanic theology the only one of its kind Mestizo Christianity will be an indispensable resource for students clergy and pastoral agents **Faith, Reason, and Philosophy** George F. McLean, 2000 Theology and Power Stephan Bullivant, Eric Marcelo O. Genilo, Daniel Franklin Pilario, Agnes M. Brazal, 2016 **Death as Transformation** Dr Henry L Novello, 2013-06-28 A key tenet of Christian faith is that the crucifixion of Jesus Christ is a unique death by which the powers of death in the world have been conquered so that Christian life in the Spirit is marked by the promise and hope of new life already anticipated in the community of baptized believers Notwithstanding this basic tenet regarding the Christian life as a participation in the redemptive death of Jesus Christ theology in the past as well as much contemporary theology tends to assign no salvific significance to the event of our own death focusing instead on death in negative terms as the wages of sin This work is a significant retort to theological neglect both Catholic and Protestant of the positive and transformative aspect of our death when conceived as a dying into the redemptive death of Jesus Christ The development of Henry L Novello's proposed theology of death takes place in conversation with the pre eminent contemporary contributors to this field of theological inquiry By offering comprehensive critiques of Karl Rahner Hans Urs von Balthasar Karl Barth Eberhard Jüngel and Jürgen Moltmann Novello painstakingly

pieces together a positive construal of death as salvific and transformative What is especially distinctive about Novello's work is that he develops the idea of death as a sharing in the admirable exchange of natures in the person of Jesus Christ from which emerges his theory of resurrection at death for all The reach of the work is extended by exploring some pastoral and liturgical implications of a theology of death conceived as the privileged moment for the actualization of God's grace in Jesus Christ and thus being created anew in the power of the Spirit

Systematic Theology, Volume 1, Fourth Edition James Leo Garrett Jr., 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary

Hans Urs Von Balthasar and Protestantism Rodney Howsare, 2005-09-15 This book examines Balthasar's engagement with Protestantism primarily in the persons of Martin Luther and Karl Barth a topic which has not yet been given the attention it deserves Furthermore instead of focusing on particular theological issues such as soteriology or ecclesiology the book examines the implications of this engagement for Fundamental Theology At the very root of Luther's confrontation with the Catholic Church of the Late Middle Ages lies his antipathy for Aristotle and for natural theology In other words the Protestant difference has as much to do with its suspicion of the treatment of faith and reason in Catholic thought as it does of the Catholic treatment of faith and works This is a suspicion that is only exacerbated in Barth's identification of the analogy of being with the Antichrist Balthasar takes these criticisms very seriously and in addressing them not only has much of relevance to say to the Catholic Protestant differences but also has much to say to the Yale Chicago differences In short this

study treats primarily Balthasar's dialogue with Luther and Barth with the hope that this dialogue will shed light on the impasse that seems to have arisen between the so called correlation and revelocentric schools of contemporary theology. If indeed Christ is the concrete universal then we shouldn't have to decide between the two. Part of this proposal then is to emphasize the fact that Balthasar refuses to separate Fundamental and Dogmatic theology. *Christianity with an Asian Face* Peter C. Phan, 2015-02-19 Worship as Body Language E. Elochukwu Uzukwu, 1997 The body language or gestures of praise adoration contemplation ritual dance and care of the neighbor are meaningful to the ethnic group African Christians. Tune into these body motions to express the one Christian faith. In *Worship as Body Language* Father Uzukwu details how the patterns of the African ritual assemblies and sacred narratives have merged with Jewish Gospel and early Church traditions to create living Christian communities and liturgies. Setting Our Hearts upon the Deep Henry L. Novello, 2022-12-22 In Christian churches the Why Lord and How long Lord prayers of the Jewish lament tradition have fallen silent. This is astonishing given that Jesus' fidelity to the cause of God culminates in his lament cry on Calvary which was heard by God. Heb 5:7 who did not hide his face Ps 22:24 but responded by raising him up in glory. In Christ's paschal mystery grief lament and joy praise are inextricably intertwined. So why is lament not incorporated into praise in church usage? How can we not lament as we strive to embody Christ in an unredeemed world? The book examines reasons for the neglect of lament in the New Testament and theological tradition. The pivotal section of the work situates Jesus in the tradition of the suffering righteous in which Psalm 22 stands and it proposes a theological not juridical interpretation of Jesus' cry which refutes the God abandonment thesis. Jesus' cry reveals his abandonment to God not his abandonment by God. Because God was for and with Jesus we know that God is for and with us in our own cries which are joined to Jesus' cry and we are redeemed. Redemption then consists in human and divine suffering coming together to transform grief and evil into joy and newness of life.
