Freedom, Necessity, and the Knowledge of God Paul D. Molnar,2021-12-30 Paul D Molnar discusses issues related to the concepts of freedom and necessity in trinitarian doctrine He considers the implications of non conceptual knowledge of God by comparing the approaches of Karl Rahner and T F Torrance He also reconsiders T F Torrance s new natural theology and illustrates why Christology must be central when discussing liberation theology Further he explores Catholic and Protestant relations by comparing the views of Elizabeth Johnson Walter Kasper and Karl Barth as well as relations among Christians Jews and Muslims by considering whether it is appropriate to claim that all three religions should be understood to be united under the concept of monotheism Finally he probes the controversial issues of how to name God in a way that underscores the full equality of women and men and how to understand universalism by placing Torrance and David Bentley Hart into conversation on that subject

The Trinitarian Dharma Pabitra Mani Bhandari,2025-02-25 As the gospel continues to spread to the farthest corners of the world the Christian faith encounters an array of diverse cultures religions philosophies and belief systems This encounter serves as a catalyst for transformation as Christianity both influences and is influenced by the new frontiers it reaches The book at hand endeavors to explore this dynamic process particularly focusing on the Trinitarian theology as a potent force for transformation Moreover it seeks to uncover the resonance between Christian concepts and the rich tapestry of Dharma thereby enhancing our understanding of the Trinity In essence this book serves as a pivotal example of how abstract theological ideas can be made relevant and meaningful in the context of a multicultural and multireligious world It embodies an approach to Christian theology that is both interreligious and interdisciplinary emanating from a global Christian perspective that embraces diversity and dialogue

A Nonviolent Theology of Love Sharon L. Baker Putt,2021-02-02 The impetus behind the ease with which the church has periodically justified violent behavior lies in its conceptual image of God as a violent deity This book emerges out of a passion to think differently albeit biblically about the character of God and articulates a theological construction of a nonviolent God an alternative to any image of God that seems to condone human violence It calls the church to rethink theology as something other than what might be termed redemptive violence and encourages Christians to reinterpret Scripture and traditional theological beliefs in ways that are more faithful to the God disclosed in Jesus of Nazareth Students of theology need a fresh glimpse of the love mercy and redemptive power of God through Jesus As it follows the structure of the Apostles Creed through the various theological topics this book reminds Christians to share in God s desires for peace and love and to recommit themselves to the call of God to be ministers of reconciliation and lovers of both neighbors and enemies even while at times responding to violence with nonviolent

resistance Mapping Modern Theology Kelly M. Kapic, Bruce L. McCormack, 2012-04-01 This textbook offers a fresh approach to modern theology by approaching the field thematically covering classic topics in Christian theology over the last two hundred years The editors leading authorities on the history of nineteenth and twentieth century theology have assembled a respected team of international scholars to offer substantive treatment of important doctrines and key debates in modern theology Contributors include Kevin Vanhoozer John Webster Veli Matti K rkk inen and Michael Horton The volume enables readers to trace how key doctrinal questions were discussed where the main debates lie and how ideas developed Topics covered include the Trinity divine attributes creation the atonement ethics practical theology and ecclesiology *Let Your Voice Be Heard* Joan Hebert Reisinger, 2012-10-08 People are moving to the margins of the Catholic Church As one dialogue partner states I left the Church to beat the rush Yet another remarks I just wonder I have to ask who s on the margins I m not sure *Let Your Voice Be Heard* details original practical theology research that endeavors to understand the dynamics on the margins of the Roman Catholic Church in dialogue with fifty dialogue partners from across the United States Practical theology the theology of marginality of Jung Young Lee reciprocal ethnography and the communication theory of Mikhail Bakhtin join in a cross disciplinary dialogue In conversation with dialogue partners Joan Hebert Reisinger seeks the reasons why Catholics over the age of twenty one who were once active and involved in the Catholic Church find themselves on the margins of the Church and how they understand their own marginality The dialogue partners speak of new ways of being Church emerging on the margins This emerging Church is marked by inclusive relationships that include dialogue that does not seek agreement or consensus a critical and thoughtful recalling of memories and narratives of the Catholic faith tradition and appropriation of these in new and creative ways *Ex Auditu - Volume 17* Klyne Snodgrass, 2004-06-23 *Relational Christianity* Wesley M. Pinkham, 2022-06-21 This work begins with a transformative idea human existence is fundamentally relational Relational Christianity explores how the nature of the Trinity must define the Church and the Christian spiritual life Utilizing Scripture Christian spiritual tradition and philosophy Pinkham and Gruenberg paint the picture of a Trinitarian Jesus centered Christianity led by the Father and explored in interpersonal oneness In this view God s intimate unifying love is the theological river that runs through the landscape of biblical revelation and through God s movement in history This work of Trinitarian practical theology suggests that the relation between Father Son and Spirit should shape and guide all Christian interactions with God with others and with self In the paradigm of relational Christianity the formation of genuine personhood and identity are based upon relational connections first with the Trinity and second with God s family The shape of the new covenant community must reflect the Father s nature Church culture must prioritize relationship in the same way the Trinity does God Our Teacher Robert W. Pazmino, 2016-08-05 Noted Christian education professor and theorist Robert W Pazmino shares the theological essentials to guide faithful educational thought and practices in the third millennium He explores a prepositional theology that deepens

the relationships between God and us through our teaching and learning together with spiritual wisdom **Wrath Among the Perfections of God's Life** Jeremy J. Wynne, 2013-02-14 Late modern theology is marked by persistent and widespread uncertainty as to how the wrath of God can be taken up as a legitimate theme within dogmatics Rather than engage the most fundamental task of clarifying the inner logic by which God's identity is revealed in scripture privilege has been ceded either to cultural and textual criticism to ostensibly self-evident moral sensibilities or to the thematization of religious experience The present work sets out to rectify this misstep The result is a rigorous proposal for understanding wrath expressly within the doctrine of God as a redemptive mode of divine righteousness **Trinitarian Theology for the Church** Daniel J. Treier, David Lauber, 2009-03-17 These select essays brought together from the 2008 Wheaton College Theology Conference by editors Daniel J. Treier and David Lauber show both the substance and the importance of the doctrine of the Trinity for our worship our reading of Scripture and the mission of the church **Person, Personhood, and the Humanity of Christ** Hakbong Kim, 2021-05-19 The quest for an understanding of humanness has been significant As the ways in which we recognize and define our human being have significant impact wide-ranging discussions and questions about the human have taken place with significant theoretical and practical implications In *Person, Personhood, and the Humanity of Christ* Hakbong Kim explores Thomas F. Torrance's critiques of the dualist and individualistic views concerning human beings in the history of philosophy and theology This book sheds important light on Torrance's understanding of humans as persons in relation to the trinitarian personhood as the ontological foundation for human personhood and the humanity of Christ as key to the personalization necessary for a new moral, ethical, and social life This presents a Christocentric anthropology and ethics which focuses on Christ's ongoing reconciling and humanizing ministry for us *Heaven Opens* Matthew Lewis Sutton, 2014 Adrienne von Speyr was one of the most important mystical theologians of the last century However her work has been eclipsed in many ways by her personal connection to Hans Urs von Balthasar *Heaven Opens* provides one of the first comprehensive accounts of von Speyr's theology Matthew Lewis Sutton argues that the eternal immanent relations of the Triune God ground the mystical theological vision of von Speyr Here von Speyr's work is for the first time given an independent hearing expositing its content, features, and connections and assessing its contribution to contemporary Catholic theology *Interreligious Reflections, Six Volume Set* Alon Goshen-Gottstein, 2018-08-08 This set includes all six volumes of *Interreligious Reflections* ABOUT VOLUME ONE Friendship is an outcome of as well as a condition for advancing interfaith relations However for friendship to advance there must be legitimation from within and a theory of how interreligious relations can be justified from the resources of different faith traditions *Friendship Across Religions* explores these very issues seeking to develop a robust theory of interreligious friendship from the resources of each of the participating traditions It also features individual cases as models and precedents for such relations in particular the friendship of Gandhi and Charlie Andrews his closest personal friend Contributors Balwant Singh Dhillon Timothy J. Gianotti Alon Goshen-Gottstein

Pentecostal Gender Paradox Joseph Lee Dutko, 2023-11-16 The distinct subjects of eschatology and gender equality have seen an explosion of interest in recent decades particularly within Pentecostal scholarship Pentecostalism is regarded ideally as both an eschatological and egalitarian movement However many Pentecostals have lamented the inconsistency between the early egalitarian impulse of the movement and its current restrictive practices This situation has been described as the so called Pentecostal gender paradox referring to the conflicting freedoms and limitations experienced by Pentecostal women Pentecostals have also recognized the waning eschatological fervor within the movement and its shifting eschatological convictions leading to calls to rediscover the eschatological heart of the movement Despite the renewed interest in both eschatology and women s equality little research has been done to put these two areas into conversation with each other eschatological convictions are often absent in the debate on gender roles in the church For Pentecostals eschatology has often been about urgency in saving souls rather than attending to social issues but could Pentecostal eschatology be the key to re-discovering greater equality for women in the church Is the waning of both eschatology and women s equality within Pentecostalism potentially interrelated For over one hundred years the role of women in Pentecostalism has been debated without a firm consensus By examining gender solely through an eschatological lens in history Scripture and praxis this work provides a valuable and creative contribution to one of the most important theological and global issues of our time women s in equality This book is also one of the first comprehensive studies to approach a single social issue solely through an eschatological lens and to provide attention to developing a thorough and methodologically connected eschatological praxis By uncovering the unified eschatological egalitarian narrative thread within both the Pentecostal and biblical story this work suggests that the present end of women s inequality begins with fidelity to the future eschaton of gender equality

An Indian Trinitarian Theology of Missio Dei P. V. Joseph, 2019-07-12 The recent rediscovery of the doctrine of the Trinity has left great impact on the thought and life of the Christian Church With this reinstatement the Trinity which was left out for long as an esoteric

mystery has captured the imagination of theologians and elicited remarkable trinitarian formulations from across theological traditions This contemporary development has forced the church to review its dogma spirituality and Christian practices through the lens of this central doctrine of the Christian faith One of the important and essential upshots of the doctrine has been the reclamation of a theocentric and trinitarian understanding of mission as the *missio Dei* In view of the modern renewal of the Trinity and the global expansion of Christianity this book explores insights and perspectives from the trinitarian thoughts of St Augustine and the Indian theologian Brahmabandhab Upadhyay that can inform *missio Dei* theology relevant for the Indian context
