God So Loved He Gave Entering The Movement Of Divine Generosity:

God So Loved, He Gave Kelly M. Kapic, 2010 *God So Loved He Gave* places the practice of giving within the larger story of God's generosity. Here we discover how our participation in the overflow of divine giving is vitally connected to the Trinitarian nature of God, the unfolding drama of Scripture and ultimately the Gospel itself. *Faith Speaking Understanding* Kevin J. Vanhoozer, 2014-01-01 In this volume highly esteemed scholar Kevin Vanhoozer introduces readers to a way of thinking about Christian theology that takes the work he began in the groundbreaking 2005 book *The Drama of Doctrine* to its next level. Vanhoozer argues that theology is not merely a set of cognitive beliefs but is also something we do that involves speech and action alike. He uses a theatrical model to explain the ways in which doctrine shapes Christian understanding and forms disciples. The church, Vanhoozer posits, is the preeminent theater where the gospel is performed with doctrine directing this performance. Doctrines are not simply truths to be stored, shelved and stacked but indications and directions to be followed, practiced and enacted. In performing doctrine, Christians are shaped into active disciples of Jesus Christ. He goes on to examine the state of the church in today's world and explores how disciples can do or perform doctrine. Written in an accessible and engaging style, *Faith Speaking Understanding* sets forth a compelling vision of what the church is and what it should be doing and demonstrates the importance of Christian doctrine for this mission. Disciples who want to follow Christ in all situations need doctrinal direction as they walk onto the social stage in the great theater of the world. The Christian faith is about acknowledging and participating in the great thing God is doing in our world, making all things new in Christ through the Holy Spirit. Doctrine ministers understanding of God, of the drama of redemption, of the church as a company of faithful players and of individual actors, all of whom have important roles to play. In an age where things fall apart and centers fail to hold, doctrine centers us in Jesus Christ in whom all things hold together. *American Theological Inquiry, Volume Four, Issue Two* Gannon Murphy, 2011-11-01 *American Theological Inquiry* (ATI) reaches thousands of Christian scholars, clergy and other interested parties primarily in the U.S. and U.K. The journal was formed in 2007 by Gannon Murphy (PhD Theology, Univ. Wales, Lampeter; Presbyterian Reformed) and Stephen Patrick (PhD Philosophy, Univ. Illinois; Eastern Orthodox) to open up space for Christian scholars who affirm the Ecumenical Creeds to contribute research throughout the broader Christian scholarly community in America and the West. The purpose of ATI is to provide an inter-tradition forum for scholars who affirm the historic Ecumenical Creeds of Christendom to constructively communicate contemporary theological developments, ideas, commentaries and insights pertaining to theology, culture and history toward reforming and elevating Western Christianity. ATI seeks a critical function as much or more so as a quasi-ecumenical one. The purpose is not to erase or weaken the distinctives of the various ecclesial traditions but to widen the dialogue and increase inter-tradition understanding while mutually affirming Christ's power to transform culture and the importance of strengthening Western Christianity with special reference to Her historic creedal roots. Theologians would be theologians and the theologically attentive will want to check

William DeJong, 2019-11-11 This volume probes the nature of gratitude as a virtue and identifies its moral value in the Christian life in order to enhance pastoral effectiveness in ministering to those gripped by sins of desire Such impulses are explored in terms of the seven deadly sins which this inquiry regards as distorted desires for the good God provides Utilizing a method of mutual critical correlation this volume brings philosophical and psychological claims about gratitude into conversation with the Christian tradition On the basis of an ontology of communion in which humans are inextricably situated in giving and receiving relationships with God others and the world this inquiry defines gratitude as a social response involving asymmetrical agapic reciprocity whereby a recipient freely joyfully and fittingly salutes a giver for the gift received in order to establish maintain or restore a personal and peaceable relationship Critiquing especially the reductions of gratitude by Aristotle and Jacques Derrida this inquiry recommends gratitude as a virtue which when embodied practiced and ritualized especially though not exclusively in the Eucharist has potential to repel the destructive idolatries generated by the seven deadly sins and thus function as a crucial ingredient in human social flourishing Familiarity with the virtue of gratitude as a vital ingredient in moral flourishing therefore equips pastors for greater ministerial effectiveness **Holy Labor** Aubry G. Smith, 2016-09-21 Women are valued for their ability to bear children in many cultures The birth process though supposedly the most painful experience of a woman s life is seen as a necessary evil to achieve the end goal of children and motherhood And yet in the face of a typically masculinized Christianity that nevertheless professes that women are equally created in the image of God shouldn t childbirth a uniquely feminine experience itself shape Christian women s souls and teach them about the heart of the God they love and follow Drawing on her own experience of giving birth and motherhood and the conflicting assumptions attached to them by Christians and the culture at large Aubry G Smith presents a richly scriptural exploration of common conceptions about pregnancy and childbirth that will not only help mothers and soon to be mothers understand how to think biblically about birth but also

walks them through how to put the ideas into practice in their own lives Along the way she shows all readers how to see God's own experience of the birth process and how childbirth leads to a deeper understanding of the gospel overall
