To Shift a Nation Craig Dockstader, 2024-07-01 It s difficult to capture in words the anxiety and frustration many Canadian Christians are feeling these days We find ourselves in a nation we never envisioned with a future that seems increasingly uncertain In what seems like a very short time Canada has gone from being a nation that was friendly toward Christian values to one where these values are now either openly under attack or already trampled underfoot How we respond to this reality now is critical and will determine the future we leave for our children and their children *To Shift a Nation* examines where we are what went wrong and what we need to do to change course and see our nation shift

Lightsey,2019-08-14 I am part of a vast ocean of Christians that view the Word of God through a different set of eyes than those of many pastors professors and church staff members I have interest in the deep theology of scripture and recognize my need to be exposed to and covered by the Word of God similar to that of my called brothers in Christ Yet I want it delivered to me in a simple worker s language Recent translations have strived toward this end and have made headway Yet the finished product is still from scholars that often describe the original transcripts from a theological standpoint rather than a worker s standpoint The Eastern Standard Version ESV published in 2001 was written to carefully weigh accuracy against the original Hebrew Aramaic and Greek scrolls It stands as one of the better accepted of sound English Bible Translations Because of its wide acceptance I have used this translation for my resource I have certainly considered a host of opinions and writings of a host of scholars but my source of authenticity has always been God s Word In writing this book I strongly encourage our religious leaders to go back to the reading writing and arithmetic basics of God s Word Just as I believe we need to get back to the basics in educating our children in school in reading writing and arithmetic we also need to get back to the reading writing and arithmetic basics in educating God s people in church Perhaps such consideration is out of touch with the advanced theology of today As a layman not an ordained or seminary graduate I might be considered a doctrine dummy This book entitled Doctrine for Dummies is written for this vast ocean of people We are not dummy people but we are somewhat hindered in our study by deep theological doctrine This book tries to take us back to reading writing and arithmetic doctrine 100 Answers to the Most Uncommon 100 Questions Elijah Muhammad,1995 Historically known as one of the most profound lecturers and writers Messenger Elijah Muhammad would offer question and answer sessions to countless thousands Well known for the confidence in his teaching he would offer 10 000 to anyone that could disprove a single word that he taught This rare battery of questions and answers range from those asked after his historic Theology of Time lectures when dedicating the Nation of Islam s headquarters Temple to a priceless interview with 16 Chicago based journalist to very intimate and profound moments during his inaccessible table talks International Sunday School Evangel ,1904 Christian Advocate ,1915 **The Cry of Mordecai** Robert Stearns,2011-07-28 The Cry of Mordecai a Trumpet Call for Today s Church An orphaned girl living as a minority in a foreign
