Gods True Law A Parents Guide To Raising Successful Children:

God's True Law Garrett Soldano,2013-02-01 Raising children is the most important responsibility we have Are you doing all you can to be the best parent possible Dr Garrett Soldano has spent his entire adult life applying the Universal Laws to athletics and entrepreneurship He now applies these same laws to successful parenting Turning his efforts to creating a simple yet easy to understand guide for parents he has outlined a clear path for setting a solid foundation of values for children How many times do we see children follow their parents down the same road toward self destruction falling prey to behaviors like alcoholism drug abuse eating disorders self esteem issues relationship social difficulties or financial problems Our children are a product of their environment Therefore as parents we must be a positive influence not only in how we react to situations and events but also by monitoring ourselves constantly in everything that we do and don t do With the wealth of knowledge available today there is no excuse to sit back and not take action against the debacle we are witnessing with our youth In God s True Law Dr Garrett Soldano describes the definite science to being a successful parent It is built upon a foundation of his life experiences growing up in poverty The story begins with his two very young parents completely raw in their skills living in a trailer park and struggling to make ends meet who still succeeded in pulling themselves up while providing their sons with all the prerequisites to move forward in life Based on his experiences and observations Dr Soldano began to study formalize and apply the lessons of Universal Laws to parenting The teachings in this revolutionary book if applied correctly will make sure parents aspirations take root legacies grow and family trees flourish for generations to come

Give Your Kids the Keys Adam Stadtmiller,Karie Stadtmiller,2011-01-12 Christian parents would love to connect their kids lives with God but most do not have the tools they need to make God a moment by moment reality in their family In *Give Your Kids the Keys* parents will find all they need to integrate God s presence into every aspect of their family s life They will better understand the stages of their children s spiritual development and be inspired by a holistic vision of their kids potential to connect deeply with God at any age And once they grasp the big picture of their family s life with God moms and dads will discover practical ideas for fun meaningful activities that will allow each family member to experience God s amazing presence **American Book Publishing Record** ,2007 **Forthcoming Books** Rose Army,2003-04 [Subject Guide to Books in Print](#) ,1997 **God Spells LOVE with an X** Brigitta Hebdon,2024-05-31 Have you ever wanted to peer through a telescope into the lives of others Who hasn t wanted to right In the pages of this book *God Spells Love with an X* no telescope is needed The author Brigitta Hebdon welcomes the reader into her crazy family that is profoundly affected by Fragile X syndrome This is not a parenting book although it s told from a mother s perspective It s not a how to book for righteous living because goodness knows she hasn t figured that out It will not demonstrate exemplary positivity You ll find that the author is human She yells curses and fights She also cries prays seeks forgiveness and keeps going It s not a book about God although he is present in every chapter This is a tale of remarkable love Jared teaches his mom every day how to

view the world in unique and hilarious ways The lessons are chronicled in the Facebook posts Brigitta has kept for the last fifteen years since Jared was in elementary school This book is guaranteed to make you laugh cry and probably get a little mad It s not a story about disability These life lessons are for everyone the most important one being that God is with you regardless of your circumstances Jared s world is beautiful something he has to remind his mom of every day The tapestry of his life is woven in colorful threads of childlike innocence imagination and his keen sense of humor The dark hues are a result of mood and behavior disorders as well as other affectations brought on by his disability But a tapestry without shadows and contrasts is flat and boring The dynamic between Jared and his mom is anything but boring For example Arguing with Jared about whether or not his lunch that I packed sucks Finally he ended the discussion with this Gosh you re being a brat Facebook November 2014 age 13 This book will make you smile and be grateful for your own life s challenges just like the feeling you get when you watch someone pull gum out of their hair You ll laugh at the circumstances all the while being happy it s not you pulling out your own hair However these life lessons will give you tools for your own struggles because we don t always get gum in our hair but eventually we all step on it Cover Design by Rian Elaine
