Fischer presents her signature management method to help small businesses scale up by avoiding the most common and destructive pitfalls. If you hold on too tightly as a leader to your people to everyday decision making to the past you will cut off vital oxygen necessary for growth. The solution: Stop being a control freak and instead empower your employees get out of your own way and establish a clear vision for the future. In other words: Let go to help your business grow. Embrace the growth paradox to get unstuck and grow your company to the next level. By leaning into some key counterintuitive business ideas you will make space for changes that will lead to nonlinear growth. In this uniquely insightful guide you will learn why holding people accountable doesn't work. Helping employees often hurts performance. Giving up power and control can increase growth. Focusing on money can reduce profits. Introducing big ideas can derail your progress. What's more, Fisher shares lessons she learned from growing a small family business into an organization with annual revenue topping 40 million as well as practical tools for taking stock of where you are and charting an actionable plan so that you can create hypergrowth in your business.

**Mental-Illness Behavior Sin Or Sickness?** Dr. Derek Guyton BA, ED.M., M.Div., D.D., D. Min., 2021-12-17. Is this Sin or Sickness? Let's say your loved one in the time of Covid-19 refuses to wear a mask and/or do social distancing. Then the vaccine comes along and they refuse to take it. They justify it and in your eyes they are in denial making excuses or just plain ignorant. Most of all, this person lives with you. Imagine what home life looks like. How do you do social distancing? Do you wear a mask in the house all day? This person is in danger of being a Host for a deadly disease. It makes for a dysfunctional household where there used to be peace, laughter and joy. Marriages have been strained to the point there has been separations and divorce. Now replace this Host with one who has mental health challenges. Considering the Host's conviction not to be compliant to health experts' warnings and legislative mandates, are the family and friends put in the position of judging the person with sin and/or sickness? In both cases, the Host of a potentially deadly disease and the Host of a mental disease leaves their families. Read the Book *Hint Hint*. As the front book cover suggests: Try but do not get too.
