for thought This is a fast paced fun and reliable guide for your tour through the Bible *Your Identity in the Trinity* Sean Cole,2019-04-12 Many believers struggle with assurance of salvation tending to approach obedience to God out of either guilt or legalism We exist to display God s glory declare God s gospel and disciple for God s Great Commission Instead of embracing these truths many Christians have believed the lie that their identity in Christ does not affect how they live their lives in obedience to him The gospel tells us that being identity comes before doing obedience This lack of understanding our gospel identity frequently results in either legalistic pride or frustrating guilt The purpose of this book is to help believers understand their identity in the three persons of the Trinity and then joyfully serve God with gospel obedience The gospel indicatives in the Bible serve as the fountain and power for obeying the moral imperatives in the Bible The gospel roots our assurance of salvation and motivation to obey God in our identity not in moralism which elevates our performance instead of exalting the finished work of Christ **Basic Bible 101 Old Testament Leader's Guide** Margaret Smith,2009-03-11 Basic Bible 101 is for adults who didn t grow up in church or have forgotten everything they learned The Leader s Guide includes initial assessment quizzes and Old Testament final Designed to be used with the Basic Bible 101 Old Testament Student Workbook Podcast available See our website [www.basibible101.com](http://www.basibible101.com) Now That You're a Christian Bruce Bickel,Stan Jantz,2008-03-01 From Bruce Bickel and Stan Jantz authors of Knowing the Bible 101 a trim 45 page booklet is perfect for new believers Christians who want a handy evangelistic tool and churchgoers who are ready to rediscover the essentials of the Christian life Readers will immediately connect with Bruce and Stan s honest encouraging responses to questions new Christians often ask What do I do next Am I expected to follow some rules and regulations What have I gotten myself into Brief chapters on eternal security new life in Christ and the ministry of the Holy Spirit set the tone for this clear and compelling introduction to the faith With their engaging straightforward style Bruce and Stan explain what God has done for humanity what God wants people to do so they can know Him better and how individuals can reflect the love of Christ to the world Basic Bible 101 New Testament Leader's Guide Margaret Smith,2014-03-31 Basic Bible 101 is designed for people who didn t grow up in church or who have forgotten everything they learned This leader s guide contains everything you need to lead a group through the New Testament including assessment test quizzes and final exam Find out more at [www.basibible101.com](http://www.basibible101.com) **I Need to Know** ,2004 *Evidence for Faith 101* Bruce Bickel,Stan Jantz,2008 Free of clich s or rhetorical arguments a primer on Christian apologetics tackles vital questions people of all ages and beliefs are asking presenting evidence from the world history and lives of people who have been changed by something bigger than themselves Original **Bible Made Impossible, The** Christian Smith,2011-08 A world renowned sociologist argues that evangelical biblicism is impossible and produces unwanted pastoral consequences *A Layperson's Guide to Biblical Interpretation* Luke Brad Bobo,2016-01-15 Interpreting an ancient book like the Bible can be an intimidating task Hopefully this book will demystify or make less complicated the task of Biblical interpretation for the layperson or seminarian by the use of a handy

and memorable acronym SCAR where S means sitting with the text to listen to the Biblical author's words over and over again where C means the literary and cultural historical contexts where A means analysis and finally where R means God's Redemptive Remedy Readers are treated to some accessible theory behind Biblical interpretation in Part 1 and examples in Part 2 where SCAR is applied directly to two Old Testament and two New Testament texts God has revealed himself on the pages of Scripture He has revealed himself because he wants to be jealously and desperately known so my prayer for you is that this small book along with the True Biblical Interpreter the Holy Spirit will greatly and patiently escort you in this endeavor so that you fall more in love with our beautiful and gracious God who knows and loves you intimately And may your growing and maturing love for him manifest itself in your unwavering obedience to him     *The Battle for the Trinity* Donald G. Bloesch, 2001-07-11 In *The Battle for the Trinity* Dr Bloesch tackles the controversial issues surrounding the questions of God language and their potential as one of the most divisive issues facing the church in the twentieth century Should God be addressed as Father Mother or Parent should Jesus be referred to primarily as the Son of God or the Child of God did God really reveal himself definitively in the person of his Son Jesus Christ Bloesch contends that how we speak about God embodies the very core of Christianity and how we ultimately understand the biblical and historical meaning of the Trinity itself The debates surrounding the Doctrine of God are many and Bloesch urges the church to respond to the concerns of women that the sacred carries both masculine and feminine dimensions Bloesch emphasizes that the God of the Bible is not described in masculine terms exclusively and we err in our failure to recognize it If Christianity is to remain genuinely Christian these controversial issues must be dealt with in such a manner that will preserve the full historical and biblical understanding of the Trinity     *Christian Meditation in Clinical Practice* Joshua J. Knabb, 2021-11-30 What would it look like to turn to the Christian faith to cultivate meditation practices Presenting Christian meditation as an alternative to Buddhist informed mindfulness this workbook from Dr Joshua Knabb offers a Christian sensitive approach to meditation in clinical practice focusing on both building theory and providing replicable practices for Christian clients and their therapists
